The screenshot displays the Workplace Analytics interface. The top navigation bar includes 'Workplace Analytics', 'Settings and filters', and a user profile. The main content area is divided into several sections: 'Explore the metrics' with tabs for 'Week in the life', 'Meetings overview', 'Management and coaching', 'Internal networks', and 'External collaboration'. Below this is a section for 'Employee networks and connections across the company' with a sub-section for 'Network diversity' and a line graph showing 'Internal network breadth' over time. A central 'Icebreaker' chat window is overlaid, displaying a match with Megan Bowen and options to 'Chat with Megan', 'Propose meetup', and 'Pause matches'. To the right, there's a 'Network' widget showing '57 Active' and '495 Total' collaborators, and a 'My Organization' widget with 'Enhance organizational resiliency' insights, including a '37% of teams have strong cohesion' statistic and a 'Take action' button for 'Strengthen team connections'.
