Empower Communications With Microsoft Teams

## SERVICES

# Teams Empowered Company Communications

### WHAT WILL WE DO?

Educate Corporate Communications, Marketing & IT teams on capabilities your organization already owns, but hasn't maximized.

Discuss key industry trends, patterns and practices with award winning and exceptionally talented communication industry leaders.

Demonstrate and map organization needs to Microsoft 365, Viva and Teams app experiences such as Company Communicator for Microsoft Teams.

Support or implement Viva Connections experiences as well as Microsoft Company Communicator for Microsoft Teams.

Establish a foundation to further evolve your communications strategy based on Teams, SharePoint, Yammer and Microsoft 365 as a platform.
