

Engage & Amplify

Employee Connection & Communication

Educate & Maximize Microsoft
365 & Viva Communication

2tolead.com

You will love the way we work. Together.™

What We Do | Offers
Viva Engage & Viva Amplify Leaders Pilot

Implement Viva Amplify & Viva Engage Pilots

→ Empower leaders by maximizing existing tools and embracing new ones for more effective company communication while discussing best practices to amplify engagement.

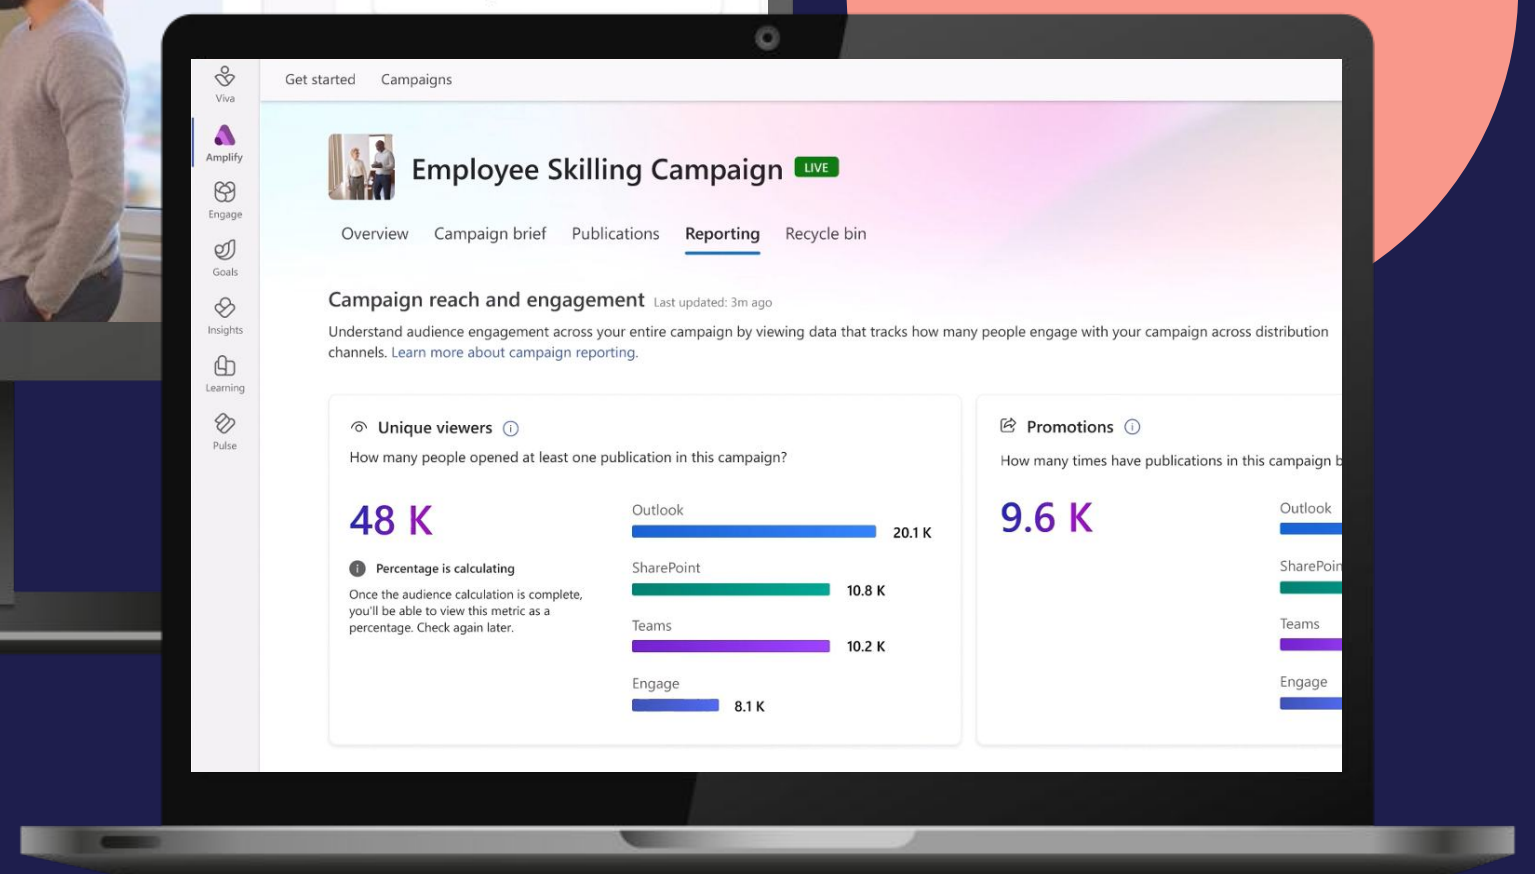

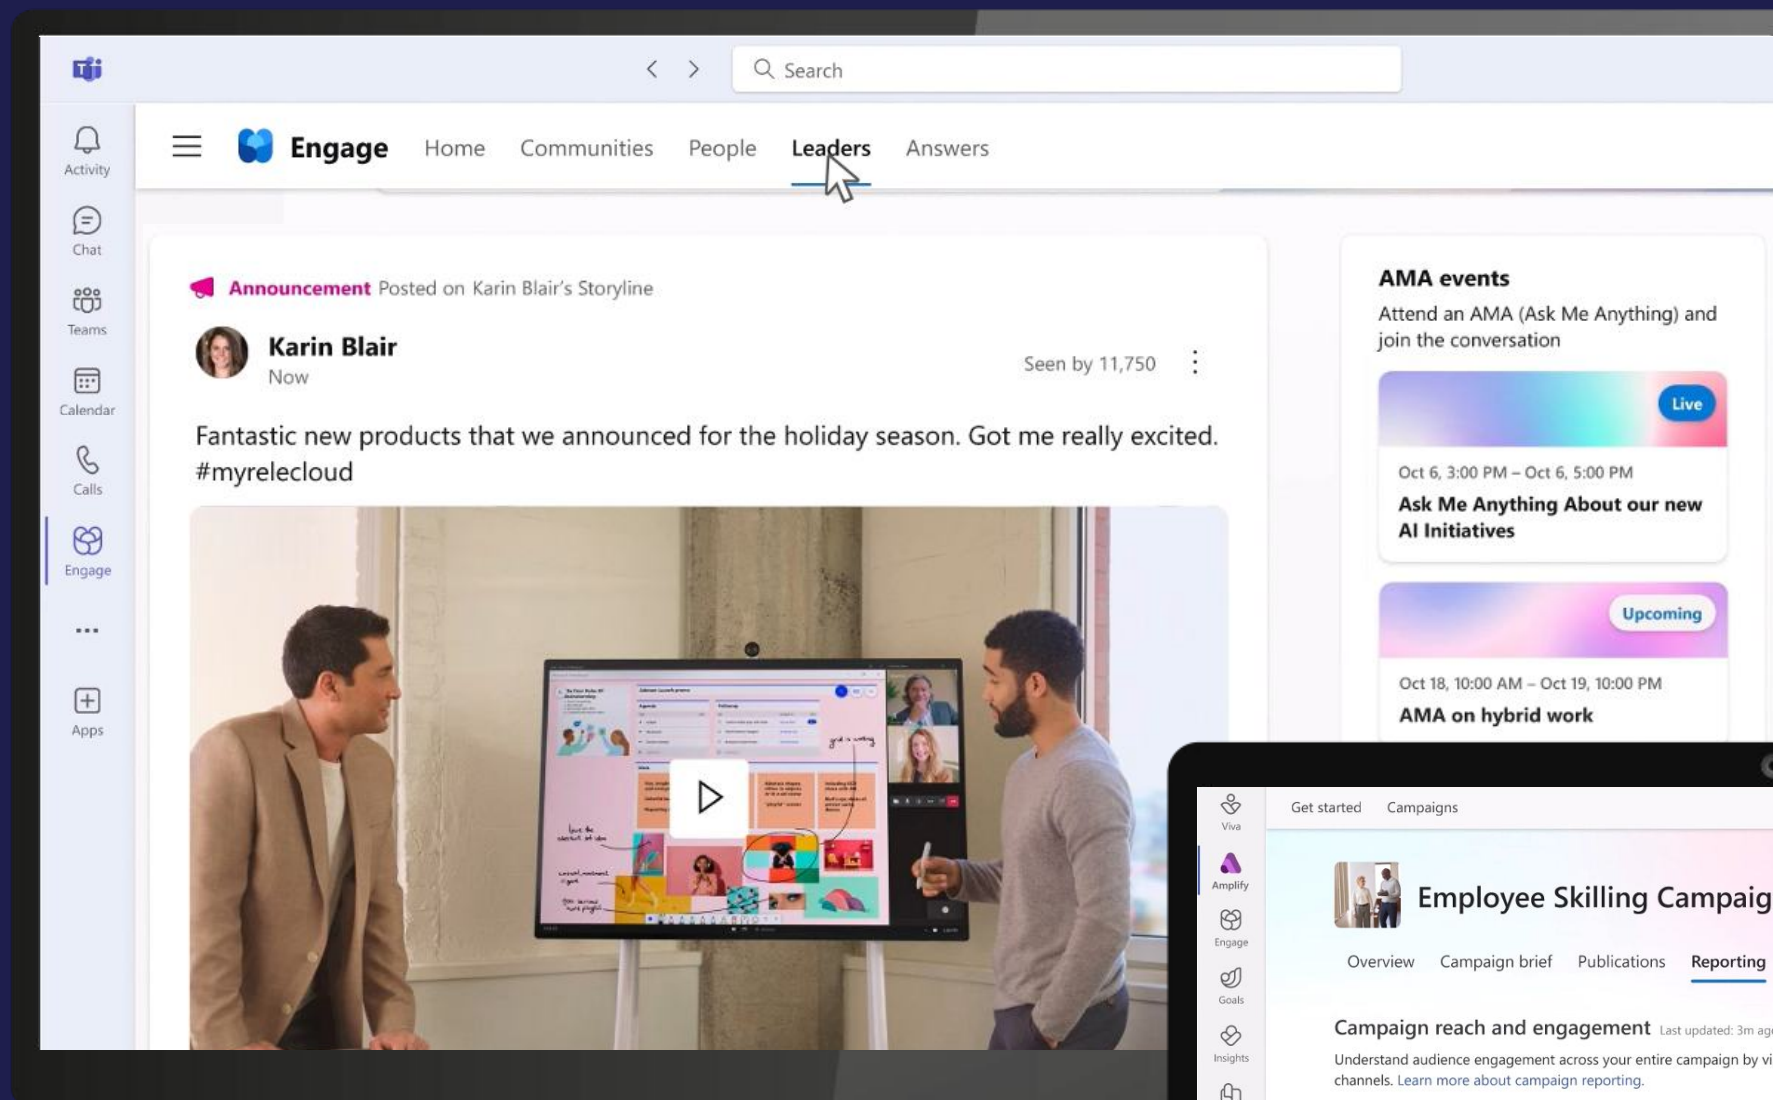

→ Connect employees with key content, answers, and each other by distributing targeted and tailored communication across the places they work from email and pages to teams and communities.

Empower & Connect Leaders & Communicators

Get the expert support you need to enhance communication with AI, Copilots and a more connected modern employee experience.

Ready for a **Viva Engage & Viva Amplify Leaders Pilot?**
