Pi-Day 2024: Half Pi, Full Fun!

Date: 7/19/2024 12:30:00 PM - 7/19/2024 4:00:00 PM

Venue: Oona The One, Road, Kadru, Delatoli, Ranchi, Jharkhand, India

Hey Team,

We're excited to invite you to our annual Pi-Day lunch gathering! Here's a little preview of what you can look forward to:

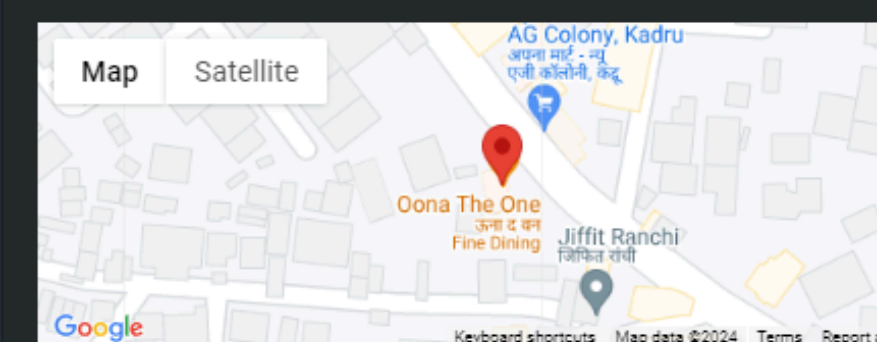

- **Casual Conversations:** This is all about getting to know each other outside the office. There are no formal agendas or presentations (I can't guarantee)—just good company and great conversations.
- **Delicious Food:** Enjoy a variety of tasty dishes and refreshing drinks. Whether you're into sandwiches, salads, or something more indulgent, there's something for everyone.
- **Relax and Unwind:** Take a break from the daily grind and enjoy a relaxed atmosphere. It's the perfect opportunity to recharge and enjoy some downtime.
- **Meet and Mingle:** Connect with team members from different departments and our incredible partners. It's a chance to build stronger bonds and discover shared interests.
- **Fun Activities:** We'll have some light-hearted activities to keep things lively and entertaining. Think of it as a mini-retreat where laughter and good times are guaranteed.
- **Free Will Gathering:** This is a free-will get-together. Come as you are, participate as you wish. The goal is to enjoy each other's company and create lasting memories.
