

# ABC E BUSINESS

## Renowned Microsoft Dynamics 365 Business Central partner

ABC E BUSINESS has been guiding its clients since 2002 with completing projects in the field of automation. We are a certified Microsoft Partner and focus particularly on the sales, implementation and maintenance of Microsoft Dynamics 365 Business Central (former NAV and Navision) software.

## Specialist online software in 'the cloud'

ABC E BUSINESS is the fastest growing Microsoft Dynamics 365 Business Central Online partner. The company is therefore an active ambassador for working online with Microsoft Dynamics 365 Business Central or working in the cloud.

## Our customers

Our customers are mainly located within the SMB sector in the Production, IT, Wholesale and Business Services sectors. The size of the customers varies from 5 to 150 employees. High customer satisfaction, pleasant cooperation and an active customer approach are of high importance at ABC E BUSINESS. This is achieved through compliance with agreements and clear and open communication, both internally and externally: 'We say what we do, and we do what we say'.
