## Our Vision

To be a global leader in real-time payments

## Our Mission

To accelerate global commerce through real-time payments

## Our Purpose

To create global prosperity through real-time payments

# A LEADER IN REAL-TIME PAYMENTS

ACI Worldwide is a global leader in mission-critical, real-time payments software. Our proven, secure and scalable software solutions enable leading corporations, fintechs and financial disruptors to process and manage digital payments, power omni-commerce payments, present and process bill payments, and manage fraud and risk. We combine our global footprint with a local presence to drive the real-time digital transformation of payments and commerce.

## ACI at a Glance

ACI Worldwide powers digital payments and banking for thousands of organizations around the world. We have more than 45 years of payments expertise and customers in 95 countries, including:

- 10 of the top 10 banks worldwide
- 80,000+ merchants directly and through PSPs
- 3,000+ organizations utilizing our electronic bill payment solutions
- 1,500+ banks and intermediaries preventing fraud with our solutions

Our broad and integrated suite of electronic payment software solutions enables payment processing for:

- 225+ billion consumer transactions each year
- 560+ million bill pay transactions annually

We support thousands of customers in the public, private and hybrid cloud globally.

Our global technical support team of more than 200 individuals delivers:

- 24x7x365 technical support for ACI software in production
- Customer assistance through web, phone and email
