Active AI: Exploration & Enablement Workshop

Unlock the Power of AI for Your Business with our Active AI: Exploration & Enablement Workshop!

Are you looking to stay ahead of the competition and leverage the latest technology to drive business growth? Then our Exploration & Enablement Workshop is just what you need! OpenAI and ChatGPT made everyone talk about AI and now you have the chance to identify how AI services like OpenAI can benefit you. This workshop is designed specifically for senior management and business development professionals who are looking to understand the current state of AI and how it can be used to create business value.

Our workshop will provide inspiration and education on AI. You'll walk away with a better understanding of the current state of AI and how it can benefit your business. Together we brainstorm plenty of ideas and boil them down to identify three concrete cases on how you can put AI to work for you. The result from the workshop is summarized and you will receive a plan and next steps to help you take your AI journey forward.

What you get:

- Inspiration and education on AI from experienced professionals
- Assistance in identifying relevant and responsible use cases out of all ideas you have
- A clear plan and next steps to implement AI in your business

The logo for Active Solution features the word "active" in a lowercase, rounded, white font with a white plus sign above the letter 'i'. Below "active" is the word "SOLUTION" in a smaller, uppercase, white font. The background of the logo area is a blurred image of a group of people sitting around a table in a meeting, with a blue tint.

Active AI: Exploration & Enablement Workshop

Unlock the Power of AI for Your Business with our Active AI: Exploration & Enablement Workshop!

How we work:

- Pre workshop
 - We start with a meeting to set focus and identify the most relevant persons to attend workshop
 - Active Solution prepares a tailor made workshop for your group
- During workshop
 - Inspiration and education on AI relevant for your industry and business
 - Facilitated by our experts, the group will identify a wide range of ideas that would bring value
 - Together we, refine, group and prioritize the ideas until we have a handful left
- Post workshop
 - Our team summarizes the outcome of the workshop
 - If needed, a follow up meeting is held to refine the idea
 - Our team delivers documentation and presents the findings and how to go from idea to prototype

Active AI: Exploration & Enablement Workshop

Don't miss this opportunity to learn how you can unlock the power of AI for your business. Our follow-up discussion will provide the details you need to take the next step, whether it's to go ahead with implementing a prototype or to explore other options.
