

In today's world, employees want **more flexible remote work options, and meaningful in-person collaboration**. Empowering people to thrive in a more flexible work world requires rethinking everything—from how you empower managers, to how you create culture, to how you reimagine the employee experience.

And that's where **Microsoft Viva** comes in. As your employees are challenged with a growing imbalance between work and life, increased burnout, and decreased wellbeing, and your teams and organization face diminishing social capital, there is an urgent need to **digitally reimagine the employee experience**.

Discover how Microsoft Viva, an integrated platform built on top of Microsoft Teams, will help your people to be their best, to **thrive in the new reality**.

MICROSOFT VIVA STANDARDIZED PILOT

As a follow-up from the Microsoft Viva workshop(s), this new Pilot program will enable you to prove real value by trialing Microsoft Viva in your own environment.

This Partner-led pilot will provide you with an accelerated hands-on experience to demonstrate the value of Microsoft Viva Insights and/or Viva Goals in your environment to:

- ❑ Understand the impact of work patterns on productivity and wellbeing
- ❑ Provide privacy-protected insights and actionable recommendations
- ❑ Help employees align to the company's mission and objectives by leveraging OKRs

PILOT FRAMEWORK

PLAN (1 WEEK)

- Gain alignment by inviting key business decision makers to sponsor the pilot
- Recap on top scenarios identified in the Microsoft Viva workshop(s)
- Identify 500 users for Viva Insights and a subset of >50 to pilot the Insights and/or Goals app in Microsoft Teams

ENABLE (4 WEEKS)

- Turn on a Microsoft Viva Trial in your production tenant and enable select users with the Viva Insights and/or Goals app in Teams
- Walk through the results of an Advanced Analytics Report in Viva Insights
- Get training and support for Viva Insights and Viva Goals in Teams
- Regular status meetings to discuss pilot progress or challenges

GROW (1 WEEK)

- Summarize key learnings and results or feedback from users who participated in the pilot
- Build a plan and define next steps to improve employee experience with Microsoft Viva

WHAT YOU CAN EXPECT:

Deploy your top use cases uncovered during the workshop in your own environment to help you get to value faster with Microsoft Viva Insights.

Get training and support to enable your pilot end users.

Identify potential blockers and challenges ahead of a broader commitment.

An **actionable plan** outlining potential workstreams and dependencies with **clear next steps**.
