Industry-specific apps

The screenshot displays the Microsoft AppSource website. At the top, the navigation bar includes the Microsoft logo, 'AppSource', and links for 'Apps', 'Consulting Services', 'Industry Clouds', and 'Partners'. A search bar is located on the right. Below the navigation bar, the 'Apps results' section shows 'Showing 2391 results in apps. View 543 related results in consulting services or 11 related results in industry clouds.' A left-hand filter pane is visible, with 'Dynamics 365 (18)' selected under 'Products (7)'. The main content area features a large banner for 'Dynamics 365 Business Central' with a woman using a tablet. Below the banner, a section titled 'All results' displays a grid of app cards. Each card includes the app icon, name, provider, a brief description, a rating, and a 'Free trial' button. The apps shown are: Continia Document Capture 365, Continia Payment Management 365 (DK), Continia Expense Management 365, Continia Document Output 365, Continia Collection Management 365 (DK), Jet Reports, B2B Ecommerce - Webshop & PIM in one, Serenic Navigator, Simple Object Designer, and Graphical Inventory Profile.

Extend the solution to meet
your unique vertical or
business-specific requirements.
