

Do you need help setting up the essentials in Business Central?

Advania's **Gold Package** delivers a complete and advanced setup for Dynamics 365 Business Central. Building on the essentials, it includes detailed data import, configuration of key operational modules, and integration of powerful extensions—giving you a fully configured system ready to support complex business processes.

The Package Includes:

- Complete Basic Setup (Everything in Bronze & Silver)
- Extended Data Import
- Advanced User & Security Setup
- Standard Module Configuration
- Advania Business Central Extensions
