Do you need help **setting up the essentials in Business Central?**

Advania's **Silver Package** builds on the essentials with a more comprehensive setup for Dynamics 365 Business Central. In addition to the core configuration, we'll import your key business data, set up project management, and install essential apps—giving you a ready-to-run system tailored to your operations.

The Package Includes:

- Complete Basic Setup (Everything in Bronze)
- Extended Data Import
- Advanced User & Security Setup
- Standard Module Configuration
- Advania Business Central Extensions

Supported:
This service works both with the Essential and Premium editions of Microsoft Dynamics 365 Business Central
