The screenshot shows the AffableBPM interface with a 'CONTRACTS' department selected. A 'Route Settings' dialog box is open, displaying configuration options for a workflow route. The dialog includes a 'Route Template' dropdown, checkboxes for 'Priority Route', 'Disable this Route', 'Notify on each routing event', and 'Notify on route complete'. Below these options is a table with columns for 'Route User', 'Route or Re...', 'Send Custo...', 'Notify Each Ev...', 'Send ...', and 'Nudge...'. The table contains three rows of data, with the first two rows having checked boxes for 'Route or Re...' and 'Notify Each Ev...', and the third row having unchecked boxes for these two columns.

Route User	Route or Re...	Send Custo...	Notify Each Ev...	Send ...	Nudge...
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	0	Nudge
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	0	Nudge
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	0
