

## Embrace a New Way to Work

### Unleash the Complete Potential of Copilot with AgreeYa

Unlock your organization's potential with Microsoft 365 Copilot — an AI-powered companion seamlessly integrated with popular Microsoft 365 apps like Word, Excel, PowerPoint, Outlook, Power Platform, and Teams. It streamlines business processes, automates mundane tasks, and fosters a productivity-driven environment, enabling teams to operate with greater efficiency and agility.

AgreeYa, as a Microsoft Solution Partner and Global Systems Integrator, have been pioneers in leveraging Copilot's generative AI capabilities to drive transformative outcomes for our customers and ourselves. We have been helping organizations create AI content to enhance productivity, creativity, and innovation.

### Why Choose AgreeYa for Your Copilot Journey?

#### Proven Long-Term Partnership

AgreeYa is a trusted Microsoft Solutions partner across four key categories, ensuring sustained commitment and expertise.

#### Innovative Microsoft 365 Solutions

Stack of products like Chatbot and QuickApps, tailored to maximize your Microsoft 365 investment.

#### Certified Expertise

Gain access to certified resources, guaranteeing proficiency and quality in service delivery.

#### Active Copilot Engagement

Actively engaged in the Copilot ecosystem, ready to steer your organization towards success.

### Why use Microsoft Copilot?

#### Insightful Business Support

Use your data to make informed decisions with confidence.

#### Stringent Security Measures

Always keep your sensitive information safe and compliant.

#### Data Protection at the Core

Ensure your data remains secure against any threats.

#### Seamless App Integration

Integrate effortlessly with the tools you already use daily.

#### Personalized User Control

Stay in charge of your experience with customizable options.

#### Continuous Learning Experience

Grow and adapt alongside your evolving needs and skills.

#### Catalyzes Digital Evolution

Liberates employee time from administrative burdens, fostering productivity, skills development, and creativity.

#### Elevates Employee Engagement

Inspires innovation, collaboration, and creativity by streamlining critical tasks.

# AgreeYa's Microsoft Copilot Offerings

At AgreeYa, we view Microsoft 365 Copilot as a catalyst for business transformation. Our holistic approach integrates people, processes, data, and technology to unlock its full potential and drive tangible value for your organization. Our Microsoft Copilot offerings include:

## Copilot Workshop

### Assessment

Outlines Microsoft 365 Copilot's technical requirements, guides AI readiness, and sets the foundation for the Art of the Possible phase.

### Art of Possible

Highlights enhanced employee experiences through unleashed creativity, increased productivity, and skill advancement (featured in the demos).

### Build a Plan

Delivers a plan to implement Microsoft 365 Copilot experiences. Summarizes challenges from Business Decision Makers and maps to personas.

## Copilot Implementation

### Readiness Assessment

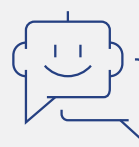

Prepares organizations for Copilot deployment by assessing the existing environment for prerequisites and readiness.

### Pilot Deployment

AgreeYa experts collaborate with the customer to address gaps identified in the previous phase and deploy Copilot to selected pilot users.

### Change Management & Adoption

Experts help organizations with change management and end user adoption activities.

## Copilot CoE as a Service

### Scope

Train employees, monitor trends, establish policies, and continuously improve Copilot on user feedback.

### Team

specialists manage integration, analysts examine metrics, experts drive adoption, domain experts represent needs, and legal analysts oversee compliance.

### Activities

Deploy prompt sharing app, train with different resources, capture feedback, establish responsible AI guidelines, and send tip emails.
