

AHEAD

Modernizing EHR Platforms on Microsoft Azure

Discovery & Planning Workshop with AHEAD

Why AHEAD for EHR on Cloud?

AHEAD Partners

EMR Experience

- 40% of AHEAD's clients are healthcare providers
- Over 60+ EHR Infrastructure Deployments
- Advisory, Technical, Financial, and Operational capabilities
- Deep Understanding of EHR requirements and platforms
- Certified engineers in EHR systems like ODBAs and Client Systems admins

Why AHEAD

- Deep partnerships that align to EHR install base (Microsoft Solutions Partner, Dell Platinum, etc.)
- Extensive experience with Healthcare industry & compliance requirements
- AHEAD maintains the technical acumen across the EHR ecosystem that a singular OEM cannot provide
- Go to market accelerators across Engineered Solutions and Cloud

Notable Healthcare Clients
