

DE-RISK YOUR CLOUD COMMITMENTS AND PURCHASING

Cloud on your terms: Insure your Azure commitments

Free cost management and cloud procurement platform

Reduce your costs and operate dynamically with no lock-in or fees based on your spend or savings. Manage and automate native Azure commitment strategies across all reservable services.

Unique Insured Commitments

Archera's flexible-term Guaranteed Savings Plans (GSPs) and RIs (GRIs) empower hundreds of organizations to purchase cloud with unprecedented flexibility and the confidence of a Moneyback Guarantee covering any unused commitments.

Why Archera: Our radical approach

- **Unlock net-new savings** – Archera's Insured Commitments (GSPs and GRIs) help you save on usage you cannot otherwise discount
- **No percentage of spend/savings taxes** – Archera is free — you pay only if you choose to insure a commitment or want customized reports
- Low-risk commitment-centered approach **does not impact infrastructure** — you save without complex approvals or DevOps/Engineering work
- **Guaranteed Moneyback** – unique, flexible-term Insured Commitments cover any underutilization losses with rebates (available via ACH transfer)
- **No lock-in** – stop using Archera at any time
- **You're in control** – yes, we have automation, but you choose if, when, where, and how to employ it
- **Free Customer Success** and FinOps support — Our experts partner with you to ensure success
