reduction in manual work
via integrations

Simplify every step of the payments and collections process

Make it easy for clients to pay and even easier for your team to manage. More than a payment processor, Aiwyn Payments is SOC 2 compliant and designed specifically for accounting firms.

Collections

Free up your skilled task for strategic work with a consistent collections process that practically runs itself.

- One-click payment options
- Tailored messaging and invoice reminders based on invoice aging
- Automated sequences for invoices

Payments

Give clients a single place to view and pay their entire accounts receivable in one secure portal.

- One-click payment experience
- ACH, credit card, and multi-invoice payments
- Saved payment methods
- Standardized late fees and compliant surcharges
- Customizable payment links to collect without client or invoice data

Reconciliation

Close out month-end or billing cycles faster and with less stress, while always knowing what's been paid, what's outstanding, and where cash is flowing.

- Easy to post individual files
- Payments auto-match to invoices
- Multi-invoice payment support
- Multi-currency payment support
