

Build an App in just 1 day!

Use the Power Platform
to drive innovation
and efficiency in
your organisation.

**Imagine a world where
it was possible to build
applications quickly to meet
the ever-changing digital
needs of your business.**

Wouldn't it be great to very quickly build applications that were device agnostic and increased user adoption into your critical business systems whilst also driving increased employee productivity? Wouldn't it be incredible if this was possible without having to invest huge amounts of money for bespoke delivery teams to build these applications for you?

Gold Cloud Business Applications
Gold Application Development
Gold Cloud Platform
Gold Cloud Productivity
Gold Data Analytics
Gold Enterprise Resource Planning

With Microsoft's Power Platform it's possible to achieve all of this with little or no custom development. The Power Platform serves up a SaaS based suite of low code / no code tools to enable users within your business to build on top of any existing business applications with incredible ease and efficiency.

What is App in a Day (AIAD)?

The session will accelerate your learning through hands on training and experience by creating simple applications through leveraging the following Power Platform tooling:

Common Data Service for Apps

Make it easier to bring your data together and quickly create powerful apps using Common Data Service, a compliant and scalable data service and app platform that's integrated into Power Apps.

PowerApps

Demonstrate true potential by empowering everyone in your organisation to easily build Canvas apps and Model Driven apps without writing code.

Power Automate

Manage the automation and optimisation of your business processes through Power Automate.

Power BI

Transform your operational data into visualisations and enable everyone at every level of your organization to make confident decisions using up-to-the-minute analytics.

Ready to unleash your App building skills?

Join us for AIAD if you are an existing Business Applications or Modern Workplace customer looking to:

- explore how the Power Platform fits into your business;
- evaluate the Power Platform as a viable application platform;
- understand the value of any of the tools listed above;

...or if you are simply looking for some training and guidance on how best to use these tools, the AlfaHack is for you. Learn from our experts and help drive innovation and efficiency within your organisation whilst at the same time building some really cool apps and having fun along the way!
