Key Capabilities

DIAGNOSE TO MIGRATE

Alletec's CDT tool automatically assesses the extent of customisations and its compatibility to move to extensions in the current NAV implementation.

MIGRATE TO START INNOVATING

Alletec's BCDS tool generates proposal with roadmap to migrate the customisations to extensions and prepares for complete & smooth migration to Business Central.

INNOVATE ON YOUR IDEAS

Alletec's consultants can work with the existing partners through teaming agreements to help clients innovate on their ideas faster, cheaper.

SCALE YOUR INNOVATION

With clients and partners, Alletec consultants help in scaling the innovations using the Dynamics Business Central on cloud delivering their mission critical Projects.

THRIVE WITH BUSINESS CENTRAL

With Dynamics BC, the customer gets unlimited scale, Office Productivity, Automated Workflows, Role Based Apps, Connected Analytics all on cloud to give wider wings to its business, to uberise or build the next AirBNB.

Alletec

Alletec, a Microsoft Gold Partner with global elite 'Inner Circle' and 'President's Club' credentials, has been a leading provider of Business Technology Solutions and IT Services to growth companies since 2000 globally. They have acquired a local Australian boutique Microsoft Business Partner Nuage Technologies to launch Alletec Pty Ltd with a mission to help Australian businesses succeed with Digital Transformation using Dynamics 365 CRM, NAV, Business Central, Finance & Operations, Office 365 and PowerBI.
