Courses For Individuals & Teams

Each course consists of several lectures with supporting slides, in conjunction with integrated quizzes to help learners understand concepts and reinforce ideas, as well as interactive exercises which promote a "learn by doing" model. Users can take their time in completing the course as they have a lifetime access to it.

Motivational & Informative Talks

Talks consist of free short videos that discuss trending topics from leading mentors around the world which motivate, inspire and enrich the learners' knowledge.

Books & Authors

A variety of books were made available for our learners to read and flourish their minds. At a click of a button, the book will be in your hands. Learn to read and read to learn in many topics from different eras.

The Mobile App

almentor.net mobile app would help you make the most out of your learning experience. The mobile app allows users to download courses and watch them offline, anytime, anywhere.
