Altis Power BI Template

Speed up Power BI report development and improve consistency of look-and-feel

Prepared by: Chris Kearns, UK Regional Manager
Date: Jan 2023

Guiding our clients to become successful data-driven organisations.

About Altis

Our mission is to guide our clients to become successful data-driven organisations.

All our interactions are guided by our ethos of Connecting with Courage, Heart and Insight.

- Established in 1998
- Offices in London, Sydney, Melbourne, Canberra, and Auckland
- 150+ Data & Analytics specialists
- Vendor independent

Tenzing Norgay and Edmund Hillary were the first two people known to reach the summit of Mount Everest, which they accomplished on 29 May 1953
