HOT IT WORKS

# Powerful Flexibility. Limitless Possibilities.

Make Dynamics 365 your own. Tailor and build on your solution using the Microsoft Cloud—Microsoft Power Platform, Microsoft Azure, and Microsoft 365—or hundreds of other familiar business tools. Plus, add mixed reality and the Internet of Things (IoT) for innovative new experiences.

## Create impact faster

Deliver more value in less time. Quickly adopt solutions—or augment existing ones—to enable your teams to accelerate results.

### Use modular, prebuilt applications

Easily connect Dynamics 365 applications with the systems and tools you already use to add and extend capabilities for your exiting solutions.

### Connect solutions end to end

Accelerate your business growth with connected business applications to optimize your operations, innovate across teams, and engage customers.

### Rapidly deploy and onboard

Implement your solution and drive user adoption—in days or weeks instead of months—to quickly innovate and see faster results.
