Intranet on M365 & SharePoint

Intranet Technology

3-Stage Decision Process

a.

Why M365 and Viva?

Why an intranet-in-a-box solution on top?

Why Valo?

a.

Step 1

Why M365 and Viva?

Intranet as part of the Intelligent Workplace

Search and content intelligence

Easily discover relevant documents and communities

Blend web content, documents and social aspects

Modern & attractive content

Large number of useful page components

2-way social interaction

Tight integration with Microsoft Teams

The intranet + Microsoft Teams = 1

a.

Step 2

Why an intranet-in-a-box solution on top?

Some intranet features still missing in M365 & Viva

Who-is-who

Personalization

Powerful navigation options

Simple and powerful authoring/management

Consistent content creation experience

Automation: auto-feeding highlighted news, ...

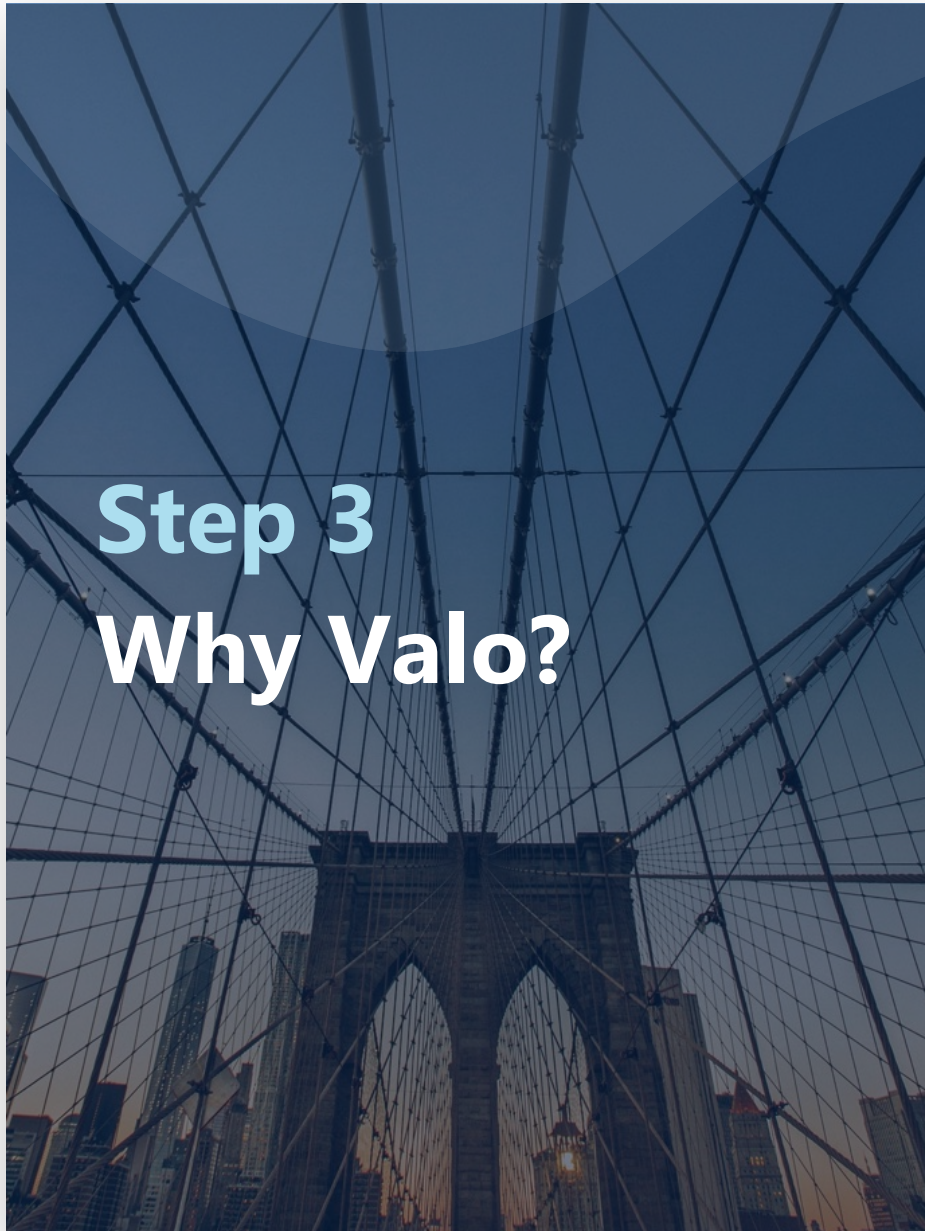

Advanced content governance

More advanced branding options

Prebuilt UI templates

Style editor

a.

Step 3 Why Valo?

Complete feature set

Intranet-specific page components

Authoring dashboard

Advanced Teams integration

Fully integrated with M365 & Viva

Leverage 2 sources of innovation: Microsoft & Valo

100% compliance with Microsoft standards

Fully integrated into Teams

Great value for money

Attractive license models

100% Engagement, 100% Microsoft

a.

Featured Solution Benefits:

- + Beautiful ready-to-use intranet themes - pick one!
- + User-friendly content creation and editing experience
- + Bring all M365 content together and find the relevant content with advanced search.
- + Target content and reach right people with Valo Audiences
- + Find your colleagues with Our People, People Search, and People Directory
- + Stay up to date with personal subscription topics
- + Consistent and inclusive content sharing with multilingual feature
- + Bring your social media updates to your employee with Social Hub
- + Engage your employees with Ideation and Innovation management

The screenshot displays the MediaMarket intranet homepage. At the top, there is a SharePoint header with a search bar and navigation links for 'About Us', 'Internal Services', 'Teamwork', 'What's New', and 'My Tools'. The main content area features a large hero image with the text 'Relate – Collaborate – Create!' and a news feed below it. The news feed includes items like 'Think Big!', 'Vitality from hobbies', 'Our new online magazine', 'Mentoring Program Starts Soon', and 'Ergonomics and Mobile Devices'. On the right side, there are utility icons for 'Holiday Applications', 'Event Hub', 'Meeting Rooms', and 'Partner Meet'. A sidebar on the far right shows a 'Highlights' section with a smaller version of the hero image and a 'News' section with a post about the new online magazine.
