

the Connected Non-Profit Community Platform

Unlimited integrated digital experiences, workplaces, communities, networks

The AppFusions' AlohaCloud platform is a modern, scalable community, networking, and collaboration platform that enables organizations to bring together internal and external constituents into unlimited purposeful-spaces to drive growth.

- ⊕ Build lasting relationships
- ⊕ Engage and educate, always
- ⊕ Drive purpose programs
- ⊕ Promote funding campaigns
- ⊕ Collect repeatable donations
- ⊕ Track and measure progress
- ⊕ Multi-partner, interdisciplinary

Power your purpose, agendas, ideas, goals, connections, relations, and network

Connect. Grow. Fund.

the Connected Non-Profit Community Platform

Your non-profit's success relies on the strength and power of your network

The AppFusions' AlohaCloud platform is packed with features and capabilities, to allow both users and administrators to be productive out-of-the-box. With drag-n-drop configurable building blocks, even the most techno-phobic users will find delight.

- ⊕ Landing Pages
- ⊕ Blogs, Posts
- ⊕ Discussions
