# TRIBAL PLATFORMS®
BY ARCTIC IT

Tribal Platforms® is a suite of **cloud-based applications** designed to improve communication, efficiency and productivity for tribal governments.

Built on the **Microsoft Power Platform**, Tribal Platforms is configured with layered security to keep your data confidential.

FAMILY WELLNESS
Outcomes-based family and child case management and program management

ENROLLMENT
A centralized database at the core for cross-department service delivery

EDUCATION
Records and program management for students, staff, and schools

HOUSING
Housing assistance, application, property, and program management

COMMUNITY PORTAL
Member self-service, 24-hour access to update personal data and apply for services

TRIBAL COURT
Court case life cycle management with secure document management

DISTRIBUTION PAYMENTS
Member payment and financial assistance management

TRIBAL PLATFORMS®
BY ARCTIC IT

MOBILITY
Enable your team to work anywhere, any time, and on any device.

SECURITY
Regular, automated software updates are included. Tribal Platforms is governed by security settings set for each user role.

CLOUD LIFECYCLE MANAGEMENT
Upgrades, unlimited support, and maintenance are included.
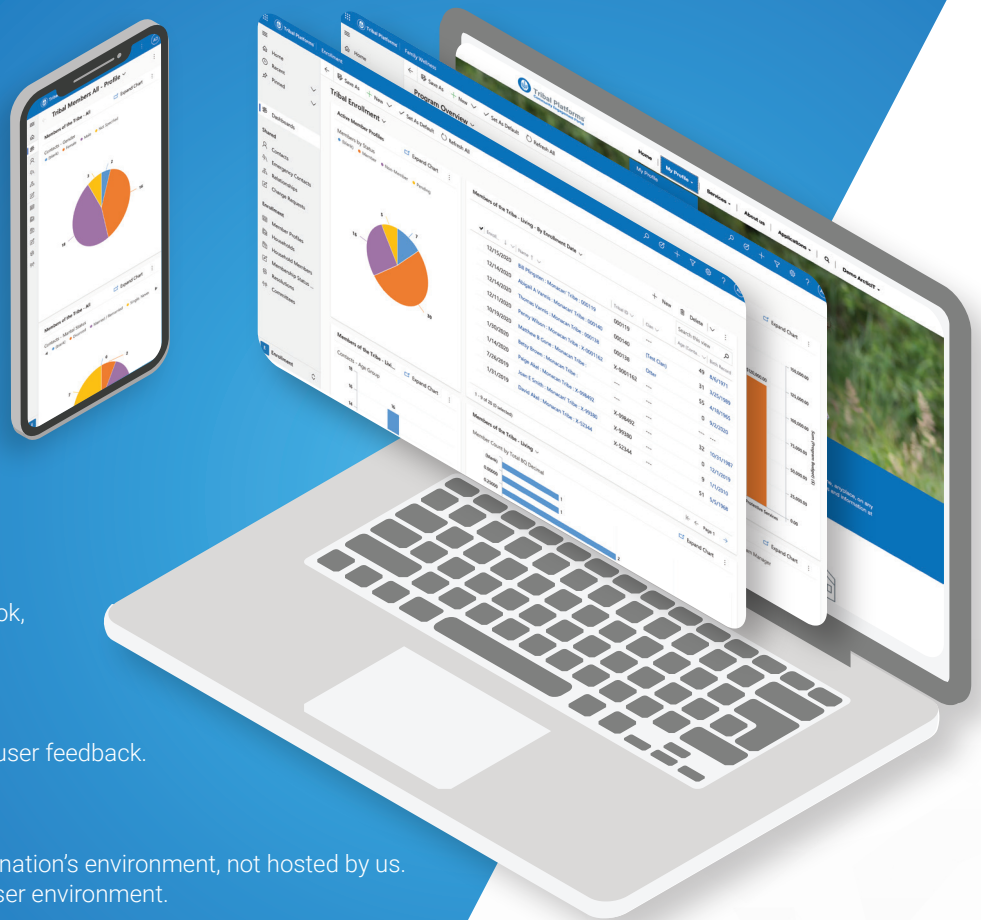

CAPABILITIES
Utilize integrations with Microsoft 365 applications including Excel, Word, Outlook, and Teams.

FEATURE ENHANCEMENTS
Benefit from ongoing updates based on user feedback.

DATA SOVEREIGNTY
Tribal Platforms is installed in your tribal nation's environment, not hosted by us. You retain control of your data and the user environment.

Empowering tribal nations with tribal government software for **technology transformation**

As a **native-owned company,** we deliver a unique consultative approach for tribal governments and enterprises nationwide. Our depth of knowledge and more than 15 years of experience with tribes mean you can trust Arctic IT with the right solutions for your technology modernization roadmap.

Contact us today at **844.461.9500** or **connect@arcticit.com** for a **complimentary demo** of Tribal Platforms.
