# One complete learning platform.

Connect the dots between learning, skills development, and measurable business success with the all-in-one Valamis learning platform.

A smarter way to learn for organizations

Valamis combines modern LMS and LXP capabilities into one powerful platform, with deep integration in data and easy access to practical insights. Suitable for both internal and external training.

Core Challenger 2025 Fosway 9-grid™ for Learning Systems

ISO 27001 · ISO 27017 · ISAE 3000 TYPE II

We can help you connect the dots with:

- Onboarding
- Compliance training
- Employee engagement
- Extended enterprise training
- Cost efficient L&D
- Skills management
- Personalized learning
- Product training

> "We needed a single, robust solution that could handle everything from compliance requirements to career development initiatives. Valamis stood out for its history with reputable organizations."

Travis Davies
L&D Manager, Adelaide Airport
