"Our A. Team is not a group of third-party contractors. They are core members of our team and family, adding a level of expertise that can't be found anywhere else."

Issam Freiha
Founder, Blank Street Coffee

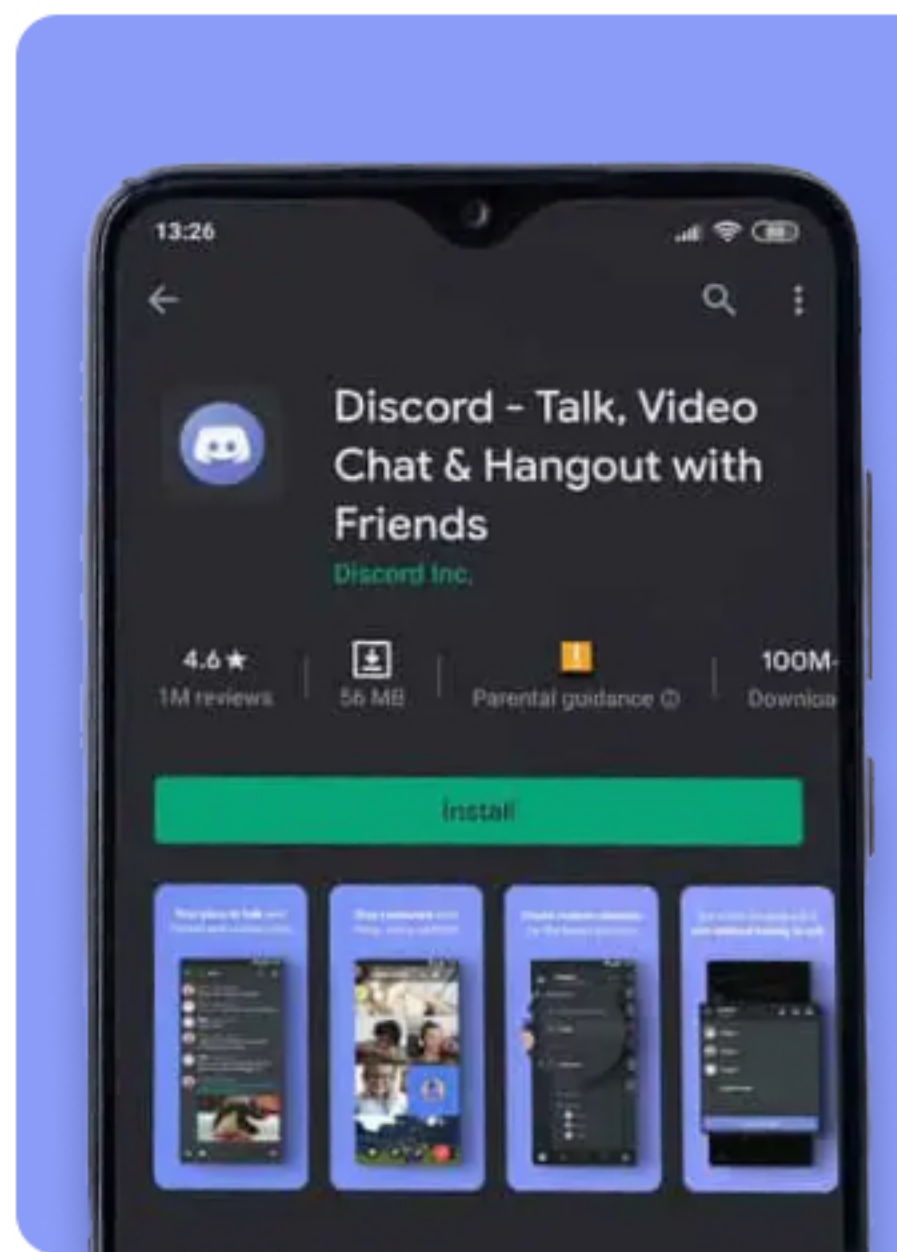

"A. Team helped us develop Amp — solving the pain point of the last 50 feet of a seamless pickup. This will be our icon, every car will have one."

Ethan Eyer
Head of Ride Experience, Lyft

"We've taken the first step in making AR a part of all our daily lives. This is a success story of enhancing our team with global experts."

Tomar Kahan
Co-Founder, Sightful

"Two A. Teams came together to help us fight fraud and spam to keep the platform safe and give users great experiences."

Ben Shanken
VP of Product, Discord
