

Enhancing your Healthcare Experience with AI

Your Clinician Uses **Autochart.ai**

An AI medical scribe that helps us document your visit —
faster and more accurately.

What this means for you:

- More focused, face to face attention on you
- Clear, complete medical notes
- Faster referrals & follow-ups
- A smoother, more efficient visit

Autochart.ai is Secure:

PIPEDA, HIPAA, and GDPR compliant and undergoes regular security testing. Your audio is not stored, and you will never be denied care if you prefer we don't use it.

Questions? Just ask your clinician.
