

# Microsoft Dynamics 365 and Microsoft 365 Licensing Optimization Assessment

by Axapta Masters

## Optimize Your Licensing Strategy for Maximum Efficiency and Cost Savings!

Are you paying for licenses you don't fully utilize?

Are your Microsoft Dynamics 365 and Microsoft 365 licenses aligned with your actual business needs?

Our Licensing Optimization Assessment provides a detailed review of your current license usage, helping you eliminate unnecessary costs, ensure full compliance with Microsoft's licensing policies, and identify optimization opportunities - **all without compromising performance or functionality.**

### Licensing Optimization Assessment Benefits:

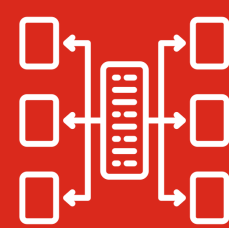

**Breakdown of Licensing Usage**

**Cost Efficiency**

**Compliance and Risk Management**

**Optimized License Allocation**

**Maximized Feature Utilization**

**Strategic Future Planning**

Ready to **take control** of your licensing strategy and **unlock the full potential** of your licenses with our structured approach?  
Get in touch with us today to schedule your assessment!
