App in a Day
Build and customise apps without writing code

What is App in a Day?

Barhead offers an introductory instructor-led hands on workshop to introduce Power Apps. Learn to create custom business applications for mobile without writing code and share them across the organisation securely.

Why Barhead's App in a Day?

App in a Day is a part of Barhead's Power Platform Enablement Services which equips participants with an understanding of Power Apps through a sample scenario, facilitated by Barhead's Power Platform experts.

Unique Value Proposition

Digitise Processes
Become paperless and work efficiently by digitise your processes.

Scalable and Compliant Data Services
