

Hackathon

A workshop designed for Power Platform solutions and experts

What is Power Platform Hackathon?

Barhead runs a one-day hackathon to support customers who want to apply their newly acquired Power Platform skills into practice and apply them to real life business scenarios as a next step to understand how they can be applied to solve their business problems.

Why Barhead's Power Platform Hackathon?

Power Platform Hackathon is a part of Barhead's Power Platform Enablement Services. It is a one-day workshop facilitated by Power Platform experts. It is typically run in conjunction with the App in a Day workshop.
