

Power Platform in a Week

Start solving business challenges through
Power Platform

What is Power Platform in a Week?

Barhead's Power Platform in a Week offers customers a comprehensive introduction to the Power Platform via instructor-led courses covering the platform's core components: Power Apps, Power Automate, Power BI and Power Virtual Agents. Participants get to put their newly-learnt skills into practice during the 2-day hackathon.

Why Barhead's Power Platform in a Week?

Power Platform in a Week is a part of Barhead's Power Platform Enablement Services and it runs for five days combined with a two-day hackathon. Recognised as a gold Microsoft partner, Barhead's expertise makes this a good learning opportunity to bring newly acquired Power Platform skills into practice.

Unique Value Proposition

Understand the Value of Power Platform

Create a functioning Power Apps solution that is integrated with other Power Platform solutions.

Collaboration

Invite business and technical members who are key in identifying and resolving customer challenges.

Improve Power Platform Skills

Elevate the Power Platform skills of customers and be able to apply in real business scenarios.

Session Topics:

Day 1

App in a Day

Day 2

Flow and Power Virtual
Agent in a Day

Day 3

Dashboard in a Day

Day 4-5

Power Platform Hackathon –
Two (2) Day Event

Agenda

- Day 1: Hands-on lab workshop by using Power Apps.
- Day 2 to 3:
 - Flow in a Day – automate business processes and workflows through Power Automate.
 - Dashboard in a Day – understand and explore Power BI for business data collaboration.
 - Power Virtual Agents in a Day – build intelligent conversational bots using a guided and no-code graphical interface.
- Day 4 to 5:
 - Hackathon – two-day hackathon for participants to apply their newly acquired skills to real life business scenarios in a supported environment.

Business Outcomes

- ✓ Understand the value of Power Apps, Power Automate, Power BI, Power Virtual Agents and CDS for Applications
- ✓ Hands-on experience with the products and be able to apply in real business scenarios.
- ✓ Know the next steps and become part of the Power Platform community.

Pricing
