

**BARRAISER INTERVIEW COPILOT**

# Start Interviewing using an Copilot!

Yes, you heard it right. It's time to make interviewing super smart, easy and effective with BarRaiser Interview Copilot

[See it in Action](#)

This is hands down the best interview I have ever attended. The interview was well structured and interviewer gave full clarity of how I will be evaluated.

ANITA

## ABOUT US

# Create a Global Standard for Interviews

We want to help each company create a global standard of interviewing process which is structured, un-biased and keeps candidates' hiring experience at the centre. Our AI powered interviewing platform ensures that every person is given a fair chance during the hiring process.
