★★★★★

"Reaching out to our customers via WhatsApp, their most used application, for marketing purposes is fantastic. Being able to do this with Whappio capabilities is even more wonderful."

Özgecan Üstgöl

Myth-Ai

★★★★★

"Thanks to Whappio's customized services through WhatsApp Business, we have been able to conduct our customer communications seamlessly. Our processes of reaching out to customers, engaging with them, and even making sales have become faster and more efficient with the integrated solutions provided by Whappio."

Sibel Akol

Dekopasaj.com

★★★★★

"Discovering the benefits of working with Whappio has been a real turning point for my business. In today's competitive business world, effectively managing customer communication is crucial. Thanks to Whappio, we have elevated our call center services offered through WhatsApp Business to the next level."

Gizem Kiracı

Saude İstanbul

★★★★★

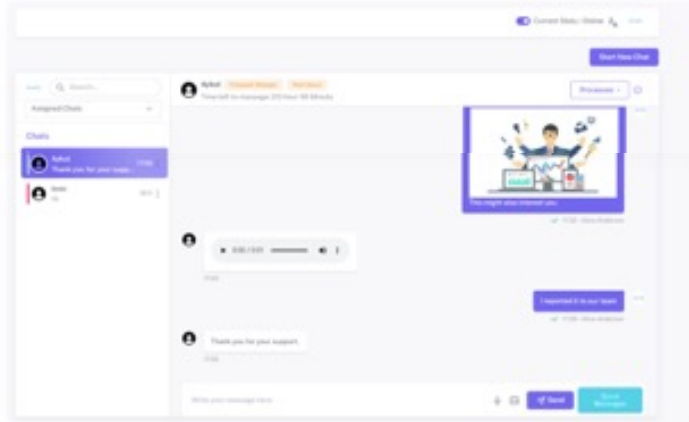

"For any business prioritizing customer experience and looking to modernize its processes, I highly recommend the WhatsApp Business solutions offered by Whappio. Especially compared to SMS OTP, verifications made through WhatsApp are more cost-effective and user-friendly."

Engin Kaplan
