# BDO's Dynamics 365 Transformation Toolkit for Consumer Goods

BDO's transformation approach focuses on **outcomes**, **process improvement**, and **organizational change management** to ensure maximum return on your investment. BDO brings proven industry experience and consumer goods expertise to lead your organization through transformation, delivering solutions that blend industry best practices with your company's unique set of goals.

## TYPICAL CLIENT CONCERNS

### Supply Chain Visibility

Streamline operations and improve vendor coordination, reducing lead time and cost

### Product Lifecycle Management

Enable better collaboration, faster time-to-market, and product innovation strategies

### Demand Forecasting

Optimize production schedules and inventory levels with enhanced demand forecasting

### Customer Loyalty

Facilitate targeted campaigns, track engagement and analyze ROI to strengthen customer relationships

## HOW BDO CAN HELP

**A Comprehensive Strategy** - BDO will help you determine the best path for long-term business applications excellence

**Improved Financial and Operational Processes** - Ensure compliance and timely analysis for data-driven decisions

**Data Integration and Reporting** - Integrate financial and operational reporting into a single, modern data platform

**Software Accelerators** - Optimize customer and vendor relationships with integration between industry tools and platforms

# BDO's Dynamics 365 Transformation Toolkit for Consumer Goods Implementation

BDO's Dynamics 365 Transformation Toolkit for Consumer Goods Implementation will employ a structured approach to help your organization **define a solution, assess readiness, and get expert support** to achieve your desired business outcomes.

## Estimated project timeline:

We estimate this implementation to take 12-24 months.

## Typical implementation includes:

- ▶ Process Review and Optimization
- ▶ Program Management Accelerators
- ▶ Dynamics 365 Templates and Prescriptive Configurations for Consumer Goods
- ▶ Custom Reporting and Analytics Dashboards
- ▶ Software Accelerators for Demand Planning, Inventory Management, and Customer Loyalty

### PHASE 1 Alignment and Strategy

In-depth consultation to understand your business needs, and current pain points

### PHASE 2 Design and Implementation

Implement targeted Dynamics 365 solutions to achieve your desired business outcomes

### PHASE 3 KPI's and Feedback

Implement the required reports and dashboards to measure process effectiveness and support continuous improvement

### PHASE 4 Deployment and Change Management

In-depth training to drive user adoption and consistency

'BDO', 'we', 'us', and 'our' refer to one or more of BDO International Limited, its network of independent member firms ('the BDO network'), and their related entities.

The BDO network is an international network of independent public accounting, tax and advisory firms which are members of BDO International Limited and perform professional services under the name and style of BDO (hereafter: 'BDO Member Firms'). BDO International Limited is a UK company limited by guarantee. It is the governing entity of the BDO network.

Service provision within the BDO network is coordinated by Brussels Worldwide Services BV, a limited liability company incorporated in Belgium. Each of BDO International Limited, Brussels Worldwide Services BV and the BDO Member Firms is a separate legal entity and has no liability for another entity's acts or omissions. Nothing in the arrangements or rules of the BDO network shall constitute or imply an agency relationship or a partnership between BDO International Limited, Brussels Worldwide Services BV and/or the BDO Member Firms. Neither BDO International Limited nor any other central entities of the BDO network provide services to clients.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.
