

Modern Desktop Experiences with Azure Virtual Desktop and Windows 365 Cloud PC

Deploy, migrate, and optimise your organisation's desktop experiences with Azure Virtual Desktop and Windows 365 Cloud PC.

Unlock strategic advantages by transitioning desktops to Azure Virtual Desktop or Windows 365 Cloud PC. With BDO's professional guidance, your organisation can achieve measurable efficiencies, strengthen productivity, and progress digital transformation — all with clarity and confidence.

BDO MODERN DESKTOP EXPERIENCE ACCELERATOR

The BDO Modern Virtual Desktop Experience Accelerator provides a practical, hands-on introduction to modern virtual desktop solutions, powered by Azure Virtual Desktop and Windows 365 Cloud PC. Within 4 to 6 weeks, your team will gain access to secure, flexible remote desktop capabilities through a streamlined deployment that demonstrates the benefits of a modernised desktop environment.

MODERN VIRTUAL DESKTOP EXPERIENCE ACCELERATOR BUSINESS CASES

- ▶ Enable secure remote access to desktops and applications from any location, supporting flexible work arrangements.
- ▶ Reduce IT management overhead by centralising desktop infrastructure in the cloud, simplifying updates and maintenance.
- ▶ Improve cost efficiency by scaling resources as required, avoiding unnecessary hardware investment. Help safeguard sensitive data through Azure's built-in compliance and monitoring controls.
- ▶ Support rapid onboarding and offboarding with straightforward provisioning and deprovisioning of virtual desktops.

STEPS TO A SUCCESSFUL MODERN DESKTOP EXPERIENCE ACCELERATOR

- ▶ **Assessment and Planning:** Evaluate virtual desktop experiences and infrastructure for opportunities and risks, providing a deployment readiness assessment with projected TCO and timeline.
- ▶ **Design and Architecture:** Configure secure landing zones for modern virtual desktop environments, integrating network and security controls to protect data.
- ▶ **Deploy and Migrate:** Deploy and migrate selected desktop workloads, applications, and user personas to Azure Virtual Desktop or Windows 365 Cloud PC.
- ▶ **Validation, Testing and Optimisation:** Test new Azure Virtual Desktop and Windows 365 Cloud PC for performance, costs, compliance, and alignment with organisational goals.

KEY DELIVERABLES TYPICALLY INCLUDE

- ▶ **AVD and Cloud PC Deployment Strategy:** Blueprint for scalable, secure, high-performance Azure Virtual Desktop environments.
- ▶ **User Profile and Storage Management:** Frameworks for efficient user identity, profile, and data management.
- ▶ **Cost-Optimised Resource Configuration:** Strategic resource allocation to drive efficient spending.
- ▶ **Intune Management:** Centralised, scalable policy enforcement and desktop management with Microsoft Intune.
- ▶ **Application Packaging:** Efficient process for rapid, disruption-free app delivery in Azure.
- ▶ **Knowledge Transfer:** Training and documentation for ongoing virtual desktop platform management and innovation.

WHY CHOOSE BDO DIGITAL

Start Strong with Azure Virtual Desktop and Windows Cloud PC

BDO helps organisations make the most of their virtual desktop investments with a comprehensive set of pre-configured templates and accelerators that have consistently enabled organizations worldwide to deploy cloud technologies efficiently and effectively.

Comprehensive Virtual Desktop Knowledge

Our specialists in Cybersecurity, Cloud Engineering, Application Modernisation, and Data and AI collaborate seamlessly to support every phase of your Azure Virtual Desktop and Windows Cloud PC journey. BDO's integrated teams provide end-to-end coverage for deploying, enhancing, and transforming your virtual desktop environments, helping to ensure a secure, efficient, and innovative user experience.

Accelerate Your Success

We help you move quickly, reduce operational costs and risks, enable innovation, and provide IT capacity at your fingertips in a very short timeframe, depending on your size and complexity. We will continue to work with you to transform and modernise your technology platform and business, positioning you for a competitive future.

***Pricing will vary depending on the scope of the engagement.**

'BDO', 'we', 'us', and 'our' refer to one or more of BDO International Limited, its network of independent member firms ('the BDO network'), and their related entities.

The BDO network is an international network of independent public accounting, tax and advisory firms which are members of BDO International Limited and perform professional services under the name and style of BDO (hereafter: 'BDO Member Firms'). BDO International Limited is a UK company limited by guarantee. It is the governing entity of the BDO network.

Service provision within the BDO network is coordinated by Brussels Worldwide Services BV, a limited liability company incorporated in Belgium. Each of BDO International Limited, Brussels Worldwide Services BV and the BDO Member Firms is a separate legal entity and has no liability for another entity's acts or omissions. Nothing in the arrangements or rules of the BDO network shall constitute or imply an agency relationship or a partnership between BDO International Limited, Brussels Worldwide Services BV and/or the BDO Member Firms. Neither BDO International Limited nor any other central entities of the BDO network provide services to clients. BDO is the brand name for the BDO network and for each of the BDO Member Firms.
