Microsoft AI  
Breakfast Briefing  
December 23

Commercial in confidence

# 3 reasons

Why BJSS is best placed to help you  
accelerate delivery of value from **AI**

1

**Our AI experience  
started long before  
the hype**

**2**

**We are a true  
end-to-end data &  
AI partner**

**3**

**Our strong Microsoft  
partnership and  
Professional  
Services**

# You get the benefit...

Our proven approach combines our experience, capability and connections to take you from

**AI curious** to **AI capable** at pace.

AI curious

AI capable

AI curious

AI confident

AI capable

# Harness curiosity

What we do...

**AI  
leadership  
briefing**

Develop  
shared  
understanding

**OpenAI  
workshops**

Set vision  
and use-cases

**AI  
hackathon**

Break AI  
inertia by  
taking action

Our hackathon with Microsoft for the Retail Trust explored how AI and GenAI could improve staff productivity and positive outcomes for retail staff

AI curious

AI confident

AI capable

# Grow confidence

What we do...

**AI  
proof of  
value**

Deliver value  
at pace

**AI  
maturity  
assessment**

Provide clarity  
and actions to  
build capability

**£0.5m**  
savings  
per year

Our 6-week proof of value for a magic circle law firm identified £0.5m savings per year whilst improving service quality and staff satisfaction

**AI curious**

**AI confident**

**AI capable**

# Build capability

What we do...

**AI  
op-model  
design**

Design the  
right conditions  
for AI capability  
to flourish

**Data & AI  
capability  
development**

Extend and  
enhance your  
in-house  
expertise

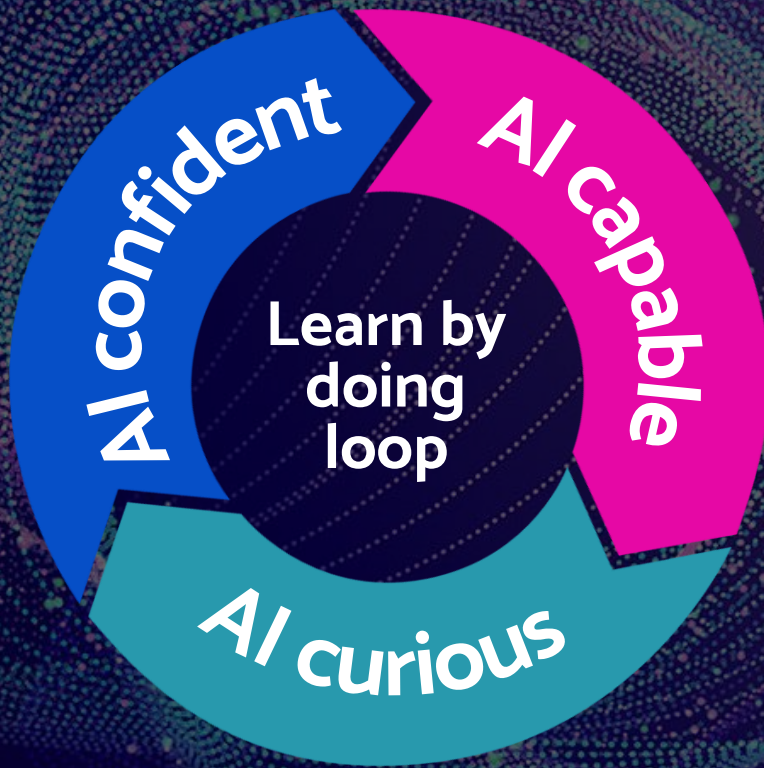

From  
**2 to 150**  
people

We helped a large retail bank  
build its data and AI expertise  
across people, process and  
technology capabilities

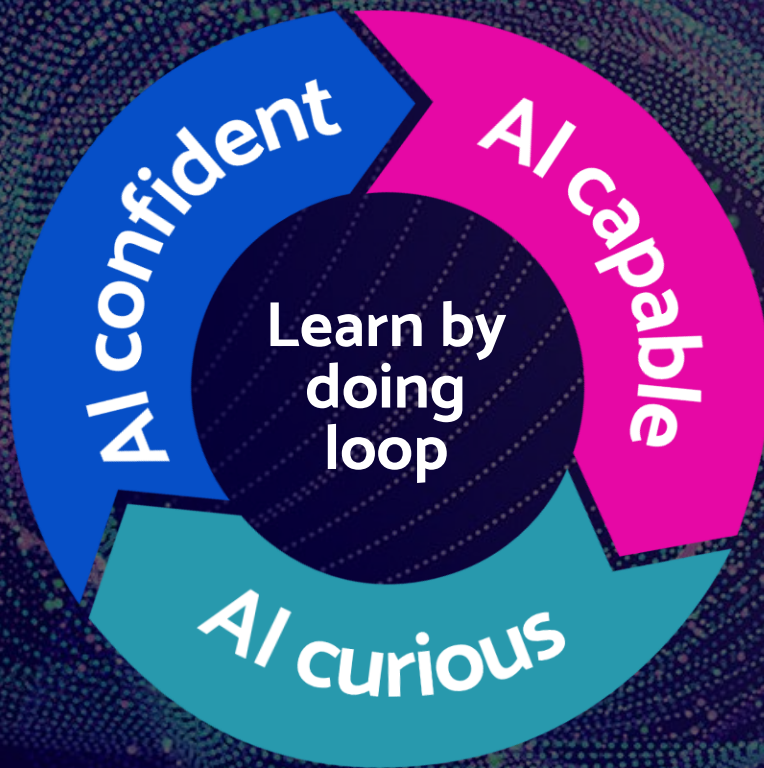

AI curious

AI confident

AI capable

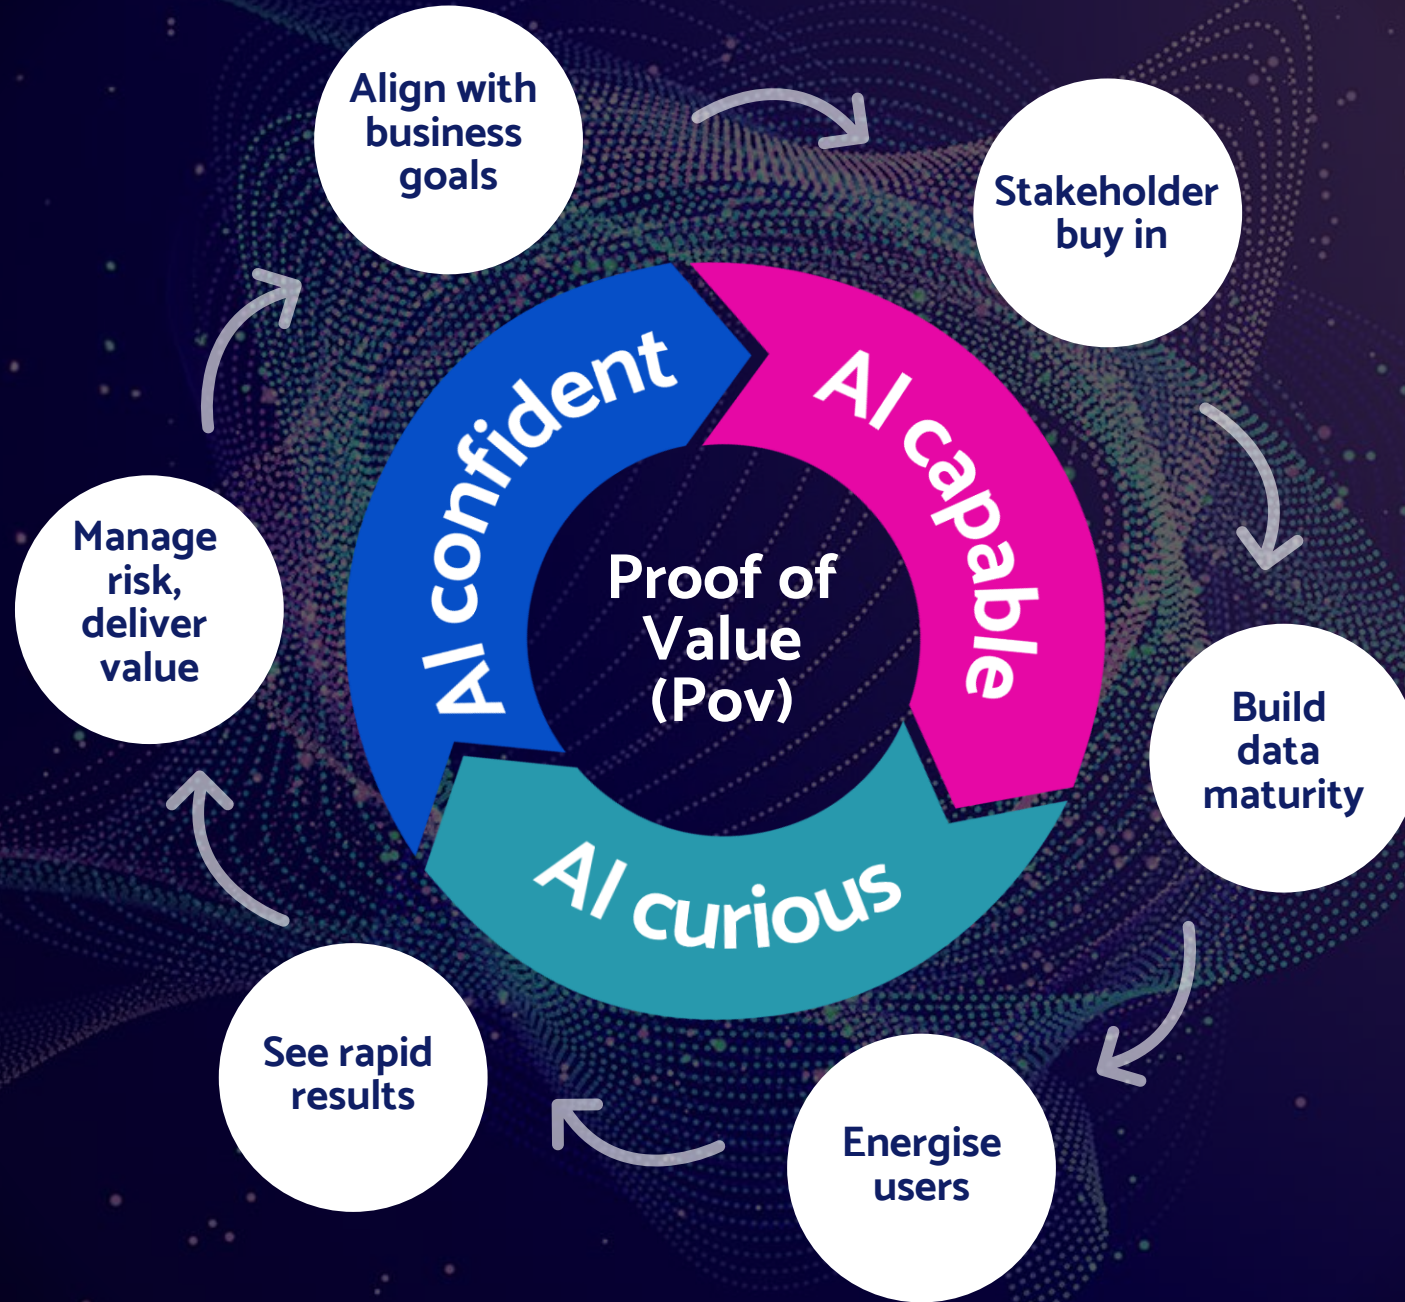

**A valuable  
use case**

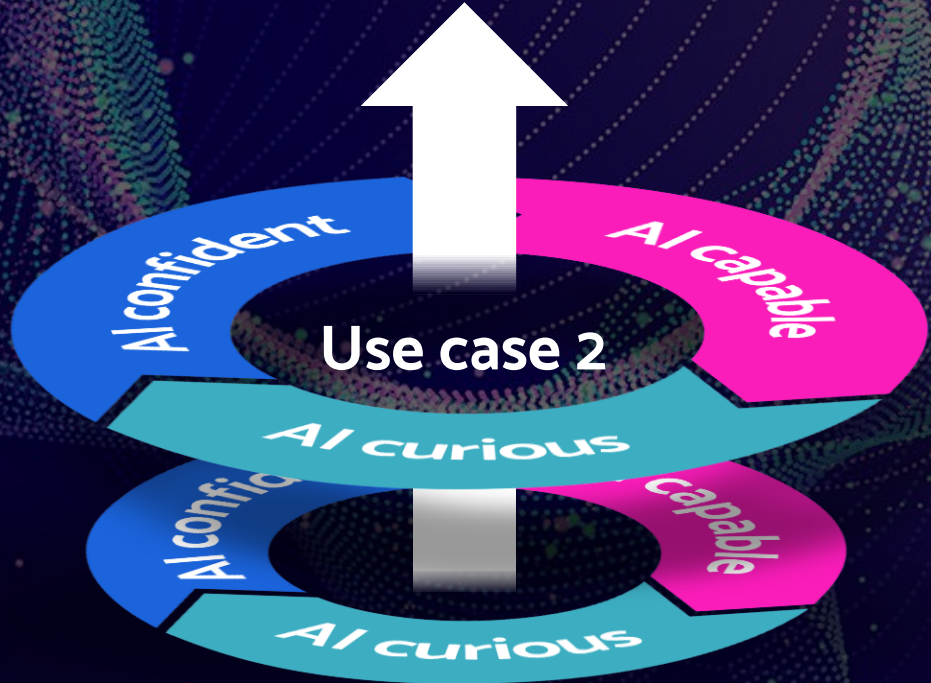

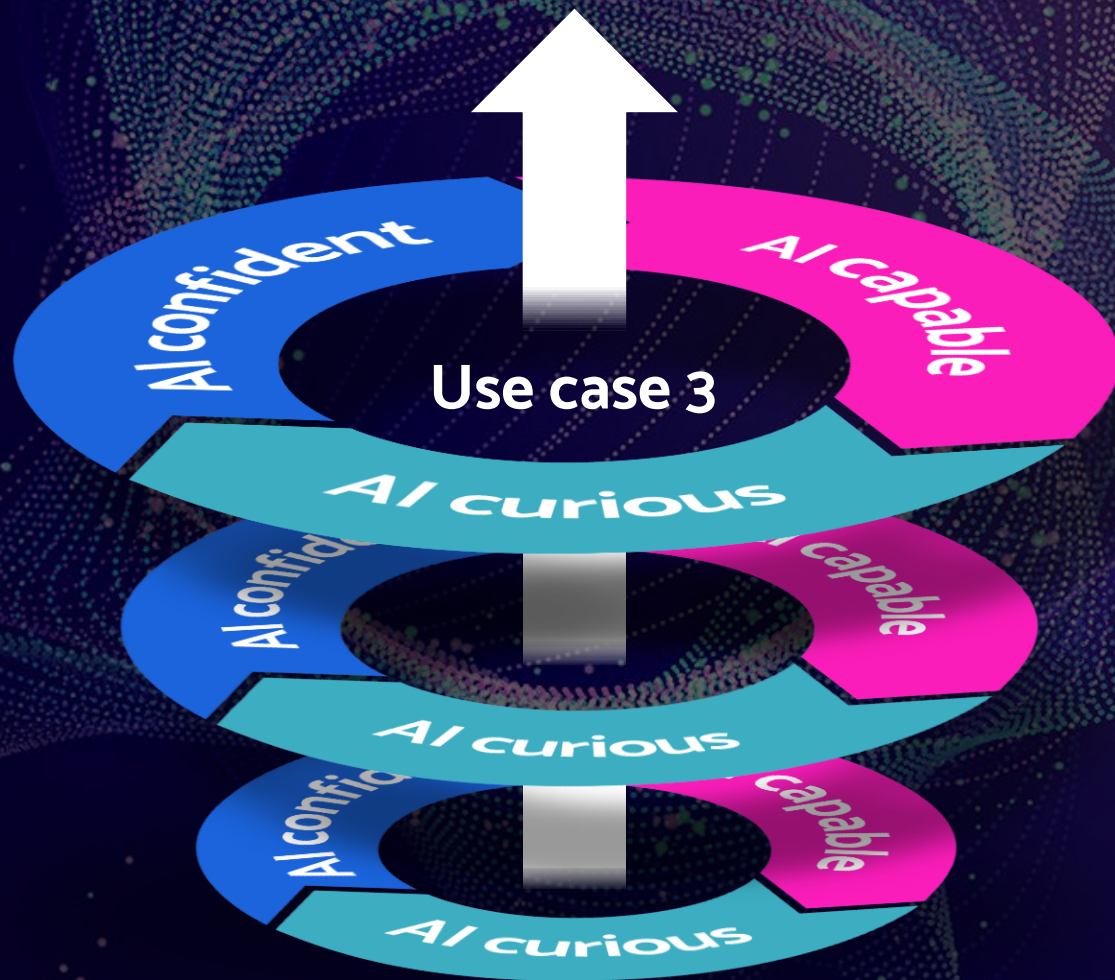

**People,  
data and a  
few weeks**

# BJSS will help you to

harness your **curiosity**,  
grow your **confidence**  
and build your **capability**  
to deliver value from AI, at pace
