

GrantsConnect

YourCause's GrantsConnect Platform is an intuitive and consolidated platform with all of the necessary tools for grant lifecycle management. Its user-friendly design and unmatched flexibility paired with its integration with the CSRconnect employee engagement and NPOconnect platforms make it the most powerful one-stop-shop on the market. With this latest evolution to grants management, administrators can expect to:

Save Time

Custom applications, branch logic, and workflow rules streamline the review and approval process, allowing you to spend less time managing the review process and more time making an impact.

Gain Insights

Insights Dashboards and standard and ad-hoc reporting allow you to quickly access high-level details and drill down to more granular data.

Stay in Budget

Our budget tools support both simple and advanced funding parameters, including in-kind or cash tracking with sub budgets and sources.

Experience Best-In-Class Customer Service

Our hands-on approach to implementation, training, and on-going support allow you to focus on your programs while YourCause's client services team provides high-touch support to both grant administrators and applicants.

A Truly Consolidated Platform

YourCause offers a suite of management tools for all of your philanthropic initiatives within our CSRconnect Employee Engagement Platform, NPOconnect Portal and GrantsConnect Platform. Whether you're a corporation looking for a comprehensive philanthropic platform or a nonprofit searching for a robust grants management solution, YourCause provides the most integrated option on the market.
