Specialist
Infra and Database Migration

- Mentioned in Gartner's Market Guide for Public Cloud Managed & Professional Services, Asia/Pacific 2022
- CRN recognition in MSP500 list in the Pioneer 250 category for 2022
- Ranked 72 in Top 100 Vertical Market MSPs List 2022

Azure CAF Workshop - Overview

Blazeclan's Azure Cloud Foundation service is dedicated to the meticulous design and construction of a customer's Azure environment, making it fully prepared for the seamless migration of production and non-production workloads.

OBJECTIVES

- **DETERMINE** Azure Cloud Adoption Challenges, Strategies & Techniques
- **IDENTIFY** Ways to manage & lack of internal expertise & challenges
- **ALIGN** Strategies for business, culture, and technical change

BENEFITS

- **MITIGATE** Unforeseen Issues
- **OPTIMIZE** Cost with Rightsizing
- **PREPARE** For your Cloud Journey
- **REALIZE** Industry Best Practices
- **READINESS** of Teams & Processes

Our approach is thoughtfully aligned with the Microsoft Cloud Adoption Framework, ensuring and meticulously considering every essential component required for building a scalable and robust Azure tenancy during the design phase.
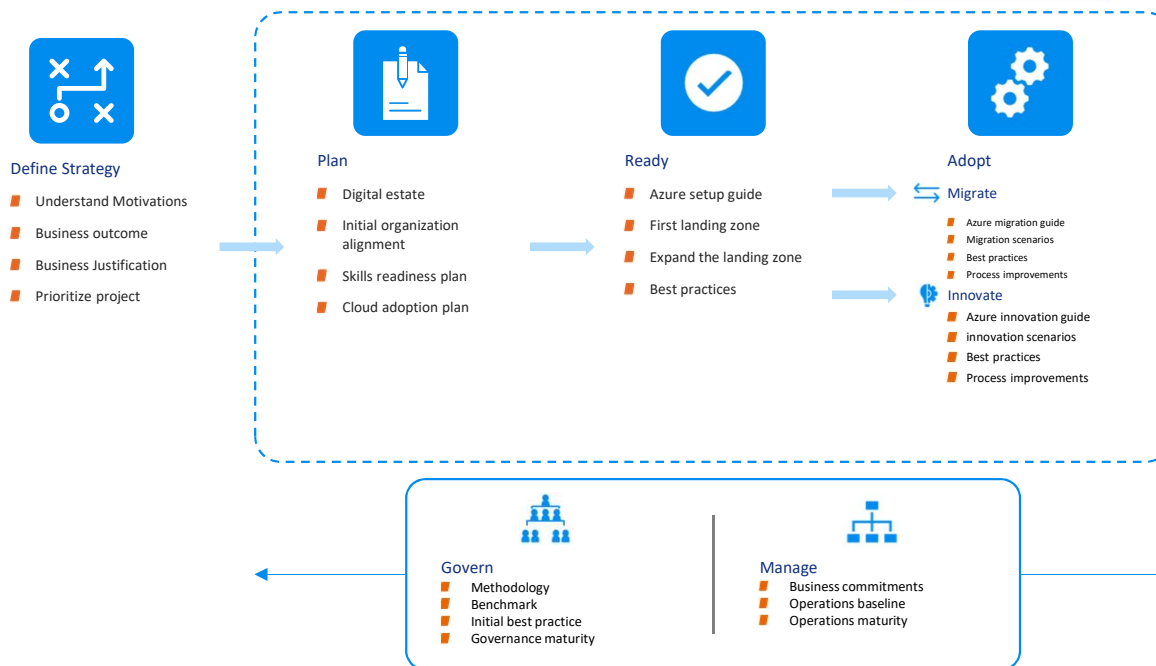

Azure Landing Zone Design Area Objectives

With Azure CAF, organizations can confidently embark on their Azure journey, knowing that their Azure environment is designed & structured for success in a smooth & efficient way.
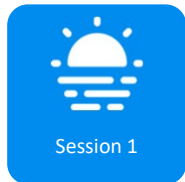

Modular Design & Structured Approach
Allows organizations to adopt components of the framework that align with their specific needs & priorities

Comprehensive Guidance
Provides comprehensive guidance & best practices for various aspects of cloud adoption.

Readiness Assessments
Tools & resources for cloud adoption readiness assessment to identify gaps & improvement areas

Security, Compliance & Governance Policies
Guidance on establishing Security, Compliance & governance models, and policies for effective Azure resources management & control.

Cost Management
Guides cost management & optimization strategies

Training & Skill Development
Resources training & learning paths to help teams acquire the necessary skills for working effectively.

Monitoring & Operations
Recommendations for monitoring Azure resources, setting up alerting, & implementing operational best practices to ensure reliability & performance

Landing Zones
It provides reference architectures and landing zones that help organizations set up their Azure environments with best practices in mind.

Azure CAF - Approach

blazeclan | **Microsoft Solutions Partner**

Microsoft Cloud Adoption Framework for Azure

Define Strategy
- Understand Motivations
- Business outcome
- Business Justification
- Prioritize project

Plan
- Digital estate
- Initial organization alignment
- Skills readiness plan
- Cloud adoption plan

Ready
- Azure setup guide
- First landing zone
- Expand the landing zone
- Best practices

Adopt

Migrate
- Azure migration guide
- Migration scenarios
- Best practices
- Process improvements

Innovate
- Azure innovation guide
- innovation scenarios
- Best practices
- Process improvements

Govern
- Methodology
- Benchmark
- Initial best practice
- Governance maturity

Manage
- Business commitments
- Operations baseline
- Operations maturity

The illustration outlines a reference framework

showcasing an ideal course of phases and activities involved in Azure CAF.

Azure CAF Workshop – Approach

blazeclan | **Microsoft** Solutions Partner
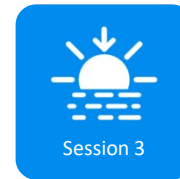

Session 1
Morning Session

- Introduction to Azure & Cloud Adoption Framework
- High-level overview
- Cloud Adoption Strategy
- Cloud Governance & Landing Zones

Session 2
Afternoon Session

- Security & Compliance Considerations
- Migration Strategies & best practices
- Monitoring, operations, & management concepts
- Cost Management strategies, tools & optimization techniques

Session 3
Evening Session

- Insight into monitoring, ops, & management
- Strategies for training & skill development
- CAF Implementation Best Practices
- FAQs Session
- Q&A & Doubt Clarification

DELIVERABLES

- Cloud Adoption Strategy Document
- Cloud Governance Plan
- Security & Compliance Documentation
- Cost Management & Optimization Plan
- Documentation & Knowledge Sharing
- Reports & Metrics
- Road map for Future Enhancements
