

Be the kind of  
leader your  
company can  
count on.

Scientifically track your growth with MyExcelia's personalized analysis.

Moving up in the professional ranks can be tough, especially when you're working alongside some pretty accomplished folks.

**Bottom line: You want to get noticed.**

**MYEXCELIA IS FOR YOU IF:**

- You want to **showcase your personal leadership strengths** with science-based data and evidence.
- You want your boss to **see your worth** and recognize your expanding leadership potential.
- You want to **track how far you've come** with benchmarks and analytics that illustrate your personal growth and professional success.

**Being good isn't really good enough. You need to position yourself as an outstanding leader.**

“

Coaching, insight, and positive energy have helped me to move from ideas to actions, leading to progressive career advancement. I recommend [coaching] to any senior executive or driven entrepreneur who wants continued leadership development.”

KATHERINE GOLDEN,  
CHIEF TECHNOLOGY OFFICER

**WITH MYEXCELIA, YOU GET:**

**A Mid-Point Report** that tracks your progress and provides valuable feedback, giving you clear direction and a roadmap for achieving your goals.

**A Comprehensive Final Report** that provides rock-solid evidence and proof of your financial ROI. Highlight your personal and professional strengths with data that is grounded in science.

Don't forget to remind yourself how far you've come. With MyExcelia, you can **celebrate your personal and professional wins!**
