My Teams

On this page, you can see all the Teams you are a member of

Other Teams

You can also see an overview of all the Teams in your organization. The list is filtered by the different Team-types. Choose a type, f.x. "Projects" to see all Teams belonging to that type. Use the search-function if you're looking for a room and know the name or description

New Team

If you want to create a new Team, press the "Order Team" button below. You will be sent to the order form for new Teams-rooms.
