

# Boyer 365:

# Focused Fundraising

Get up and running quickly with essential capabilities for constituent and donation management.

## 360 View

Gain crucial insights into your constituents with detailed profiles that capture communications, preferences and more.

## Campaigns

Easily track specific fundraising activities, costs and overall progress towards your fundraising goals.

## Payments

Make tracking online donations easier with a simplified integration to top payment processors.

## Donations

Track one-time gifts, recurring donations and lifetime giving.

## AI Tools

For an additional cost, all of the above can be infused with AI and automations to improve efficiency.
