Brams methodology based on SAP's Activate to accelerate time to value		

You Select – We Execute

Key Differentiators

- Cost & time savings
- 24x7 support coverage
- Enhanced Quality Assurance (QA)
- Experienced & certified resource pool
- Balanced skill footprint

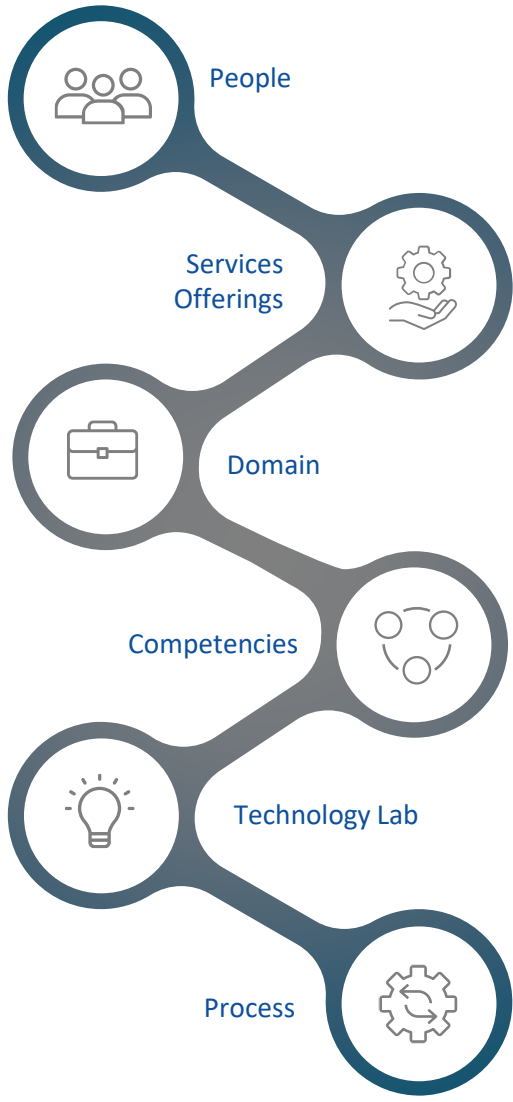

Features of Global Delivery Model

- Resources available near-site, deployable in hours
- Shared resources minimize resource redundancy
- Mission critical processes maintained on-site
- Processes can be transitioned from on-site to off-shore and back, on demand
- Our proven methodology insures against business continuity issues
- Customized services designed specifically for your organization

- 100+ Practitioners Knowledgeable on Cloud & On-premise Applications
- Consultants with an Average of 12 Years Business & 8Years SAP Expertise
- Industry Domain Experts

- Consumer Packaged Goods (CPG)
- Retail & Wholesale
- Discrete & Process Manufacturing
- Healthcare & Life Sciences
- Chemical
- Automotive & Hi-Tech

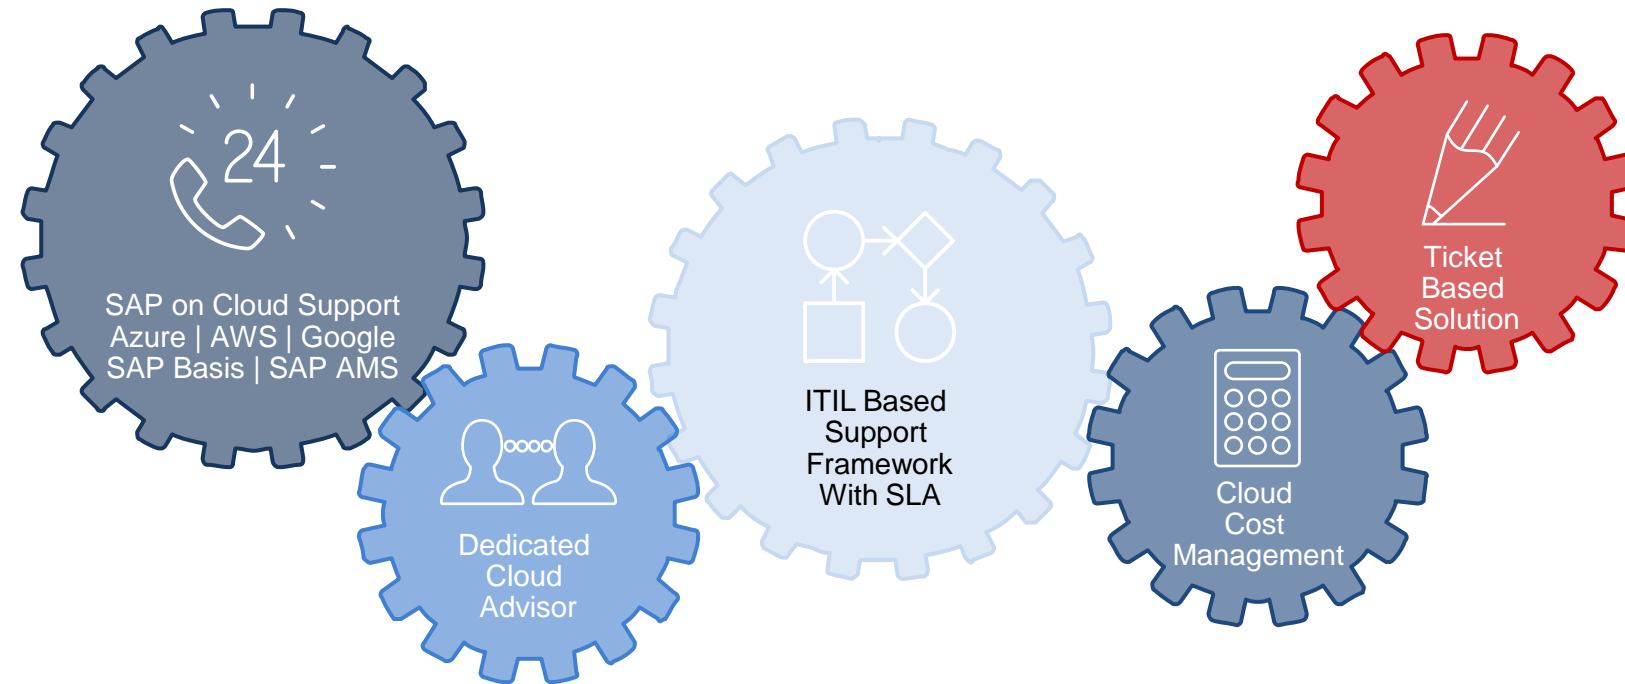

- Rapid Proof of Concept
- Technology Evaluation
- Technology Portfolio Optimization
- Migration Packs & Estimation Tools
- Proprietary Project Accelerator Tools

- Solution Implementation & Global Rollouts
- Migration & Upgrades
- SAP Integration & Development
- Cloud Implementation
- Brams “Hyperare” - SAP Application Management Services
- Strategic Sourcing

- SAP S/4HANA Enterprise Management
- SAP S/4HANA Conversion
- SAP Business Suite on HANA
- SAP HCM & SuccessFactors
- SAP Analytics Cloud

- Knowledge Management
- Hypercare - Based on Run SAP for AMS
- RDS - Proven Rapid Implementation Model
- Flexible Delivery Model – On-site , Off-shore, Off-site & Hybrid

SAP on Cloud Consulting

Allow SAP Customers to gain access to our SAP and Cloud consulting expertise

Pay as per use Model

IaaS, DaaS, DRaaS, BaaS and SAPaaS etc.

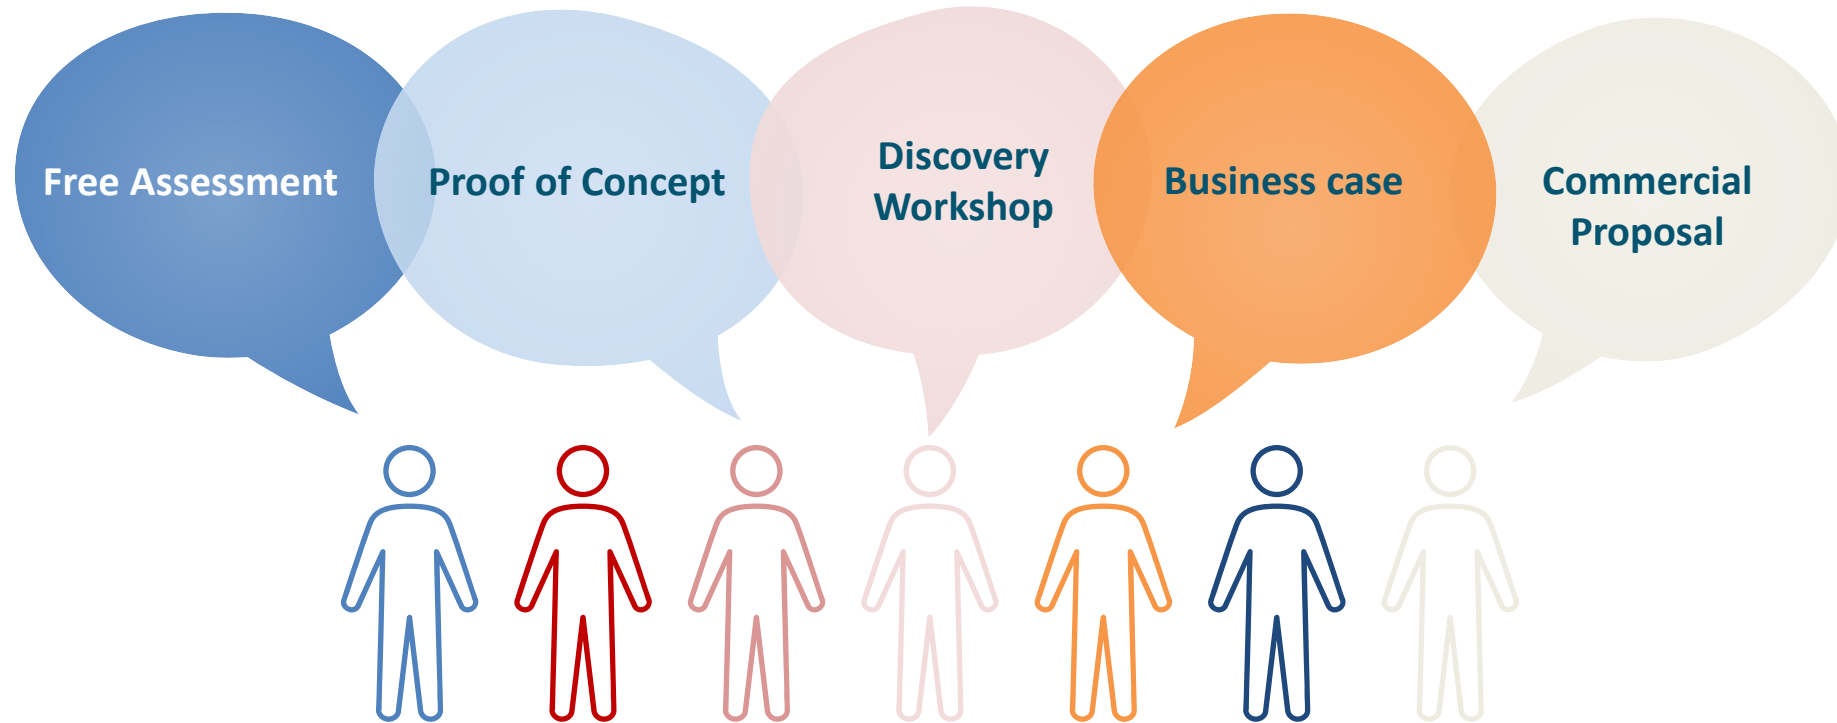

Free services

Capture potential members with free-minimum model

Custom Project

Develop incredible Application like PowerApps, O-data Services – Office 365 and Platform Power Automate etc.

NEXT STEPS...

- Free Assessment
- Solution Demo
- Business Case
- Indicative Proposal
- Complimentary Discovery Workshop
