

“We launched Bucketlist in 2020, and it's been transformative—excellent platform, partnership, and support. It's strengthened our culture, especially during the pandemic. Our 'Difference Makers' program has not only aligned our team with our core values but boosted our productivity and helped with retention. It's a vital connector across distributed workplaces, with significant impact already and more on the horizon.”

Maureen P. | Director, Culture & Development

Bucketlist Rewards

Empower Your Team, Celebrate Every Milestone

Unlock potential with Bucketlist's comprehensive rewards and recognition platform; built to meet diverse employee needs, streamline HR processes, and bolster company culture

What is a Rewards & Recognition platform?

A Rewards & Recognition platform like Bucketlist is a multifaceted tool that automates the acknowledgment of employee achievements. It simplifies reward delivery and fosters a culture of appreciation, leading to improved employee morale and retention

Why customers use Bucketlist?

- **Engagement Boost:** Enhance engagement with instant recognition
- **Turnover Reduction:** Significantly cut turnover in just 1 year
- **Time Saved:** Save 500+ hours annually on reward management
- **Performance Incentives:** Drive performance with meaningful incentive programs

Recognition Made Simple

- **Efficient Recognition:** Seamlessly acknowledges every success
- **Customized Rewards:** Tailors rewards to individual preferences
- **Strategic Insights:** Provides actionable employee engagement data

Transform your workplace culture with lasting, meaningful recognition.

Culture Cultivates Growth

- **Cultural Alignment:** Rewards that resonate with company values
- **Employee Satisfaction:** Increases happiness and job satisfaction
- **Operational Excellence:** Streamlines HR tasks, improving overall efficiency

Build a recognition-rich environment that fosters sustained success.

Royal Bank

How Rewards & Recognition works, to achieve business benefits

Increase employee satisfaction across the organization

- Improve annual/pulse survey results
- Engagement, productivity, and performance are 14% higher in organizations with recognition

Reduce turnover and increase retention

- See up to 40% reduction in employee turnover post-R&R implementation
- Lack of recognition is a key reason why employees leave

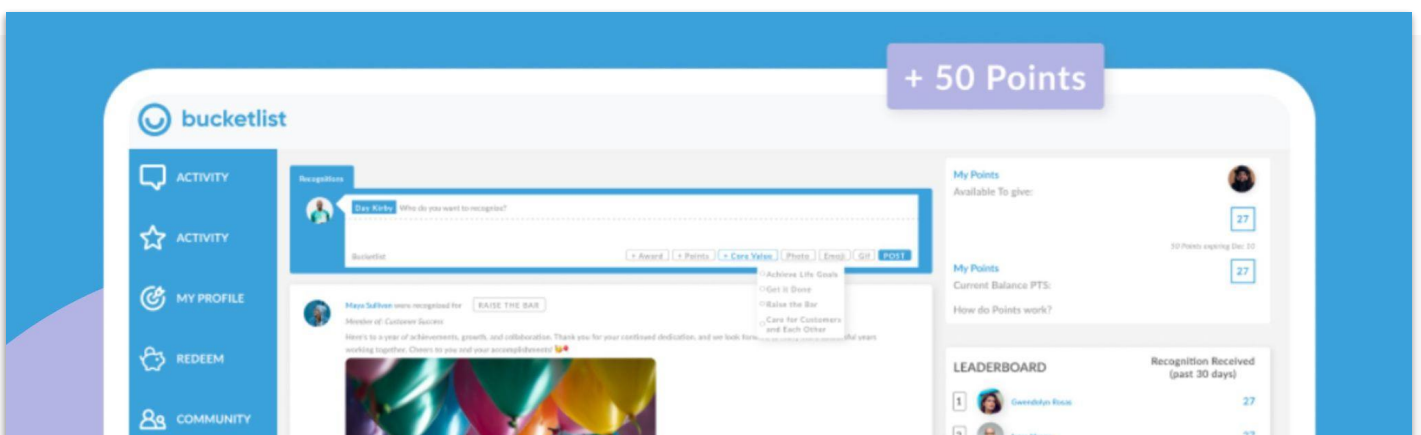

Realize significant cost savings

- Depending on the industry, backfilling a role can cost up to 213% of an employee's annual salary
- Save HR Admins and Team Leaders 400-900 hours of manual labour, annually

Why Bucketlist?

Bucketlist stands out as a market leader in employee rewards and recognition, offering customizable solutions that integrate seamlessly with communication tools like Slack and Microsoft Teams. It drives employee engagement and retention through meaningful recognition and rewards.
