

TECHNICAL SUPPORT INFORMATION

The Technical Support personnel for Business Computing existing customers are available to assist with questions about our products 24/7. If you are an existing customer with a problem, you have three options:

First, you can email your designated TECH representative.

Second, you can go to the [SUPPORT PAGE \(You are already here!\)](#) and send an email to all TECHS at once.

Third, you can call SUPPORT directly at the numbers provided below from **Monday - Friday, Between 9:00 AM and 5:00 PM Pacific Time.** (For India, local time applies.)

Thank you for submitting your request.
