

Sounds Like Me™ Workflow

A guide to making your generative AI sound exactly like you, and amplifying your team's success with Sounds Like Me™

1

Create Your iAM

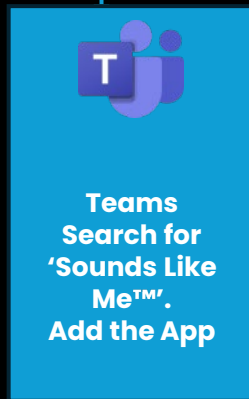

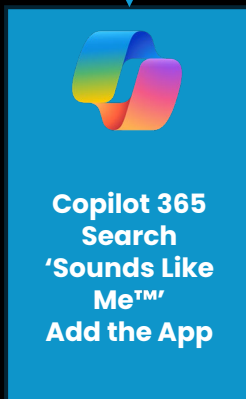

Create your iAM in one of three ways

Get your iAM

2

Get the Sounds Like Me™ Agent

Upload your Sounds Like Me™ iAM

Speak Like You, Not a Machine

An AI voice that never erases you, only amplifies your unique voice.

Turn Up Your Authenticity

Boldly elevate your individuality, making every interaction unmistakably authentic.

Multiply Your Magic

Effortlessly scale your unique expression alongside your productivity, be you whilst being successful at work.

Own Your Narrative, Beautifully

Create and share stories shaped entirely by your own words and values – generative text in your words and character.

Your Personalized Coach

Coaching with the power of iAM to navigate through opportunity and challenge. Personalized self learning and development on tap.

Know and Be Known

Instantly share who you truly are and authentically understand your teammates, creating deeper human connection.

Powerfully You, Perfectly Expressed

Instantly bring your authentic self into every Teams interaction, beautifully clear, strongly human.
