WHY CONNECT?

DRIVE OPERATIONAL EFFICIENCY

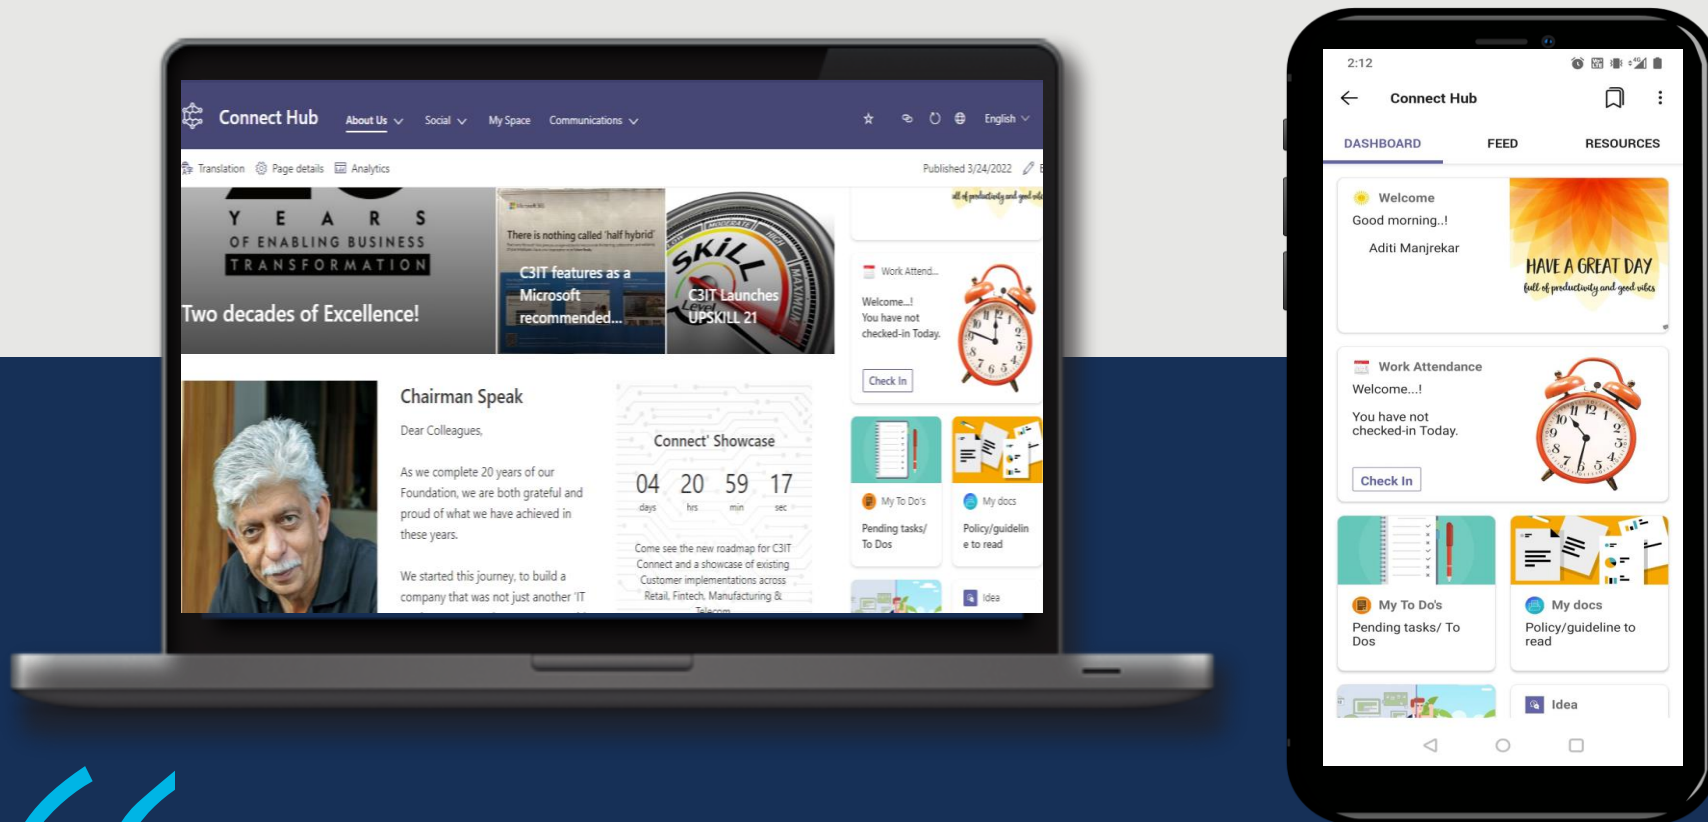

- ✓ Engage employees and provide a boost to organizational productivity
- ✓ Ensure Efficient and productive use of team members' knowledge through easy access to knowledge resources and efficient collaboration
- ✓ Collaborate around a task, learn, request for support

ENGAGE EMPLOYEES

- ✓ Better brand message and increased relevancy to engage a new generation of employees
- ✓ Create an entirely new dimension of user experience and collaboration within Microsoft Teams.
- ✓ Receive on demand personalised news, events, announcements, blogs, pictures, videos, awards, polls, discussions; locate experts and knowledge

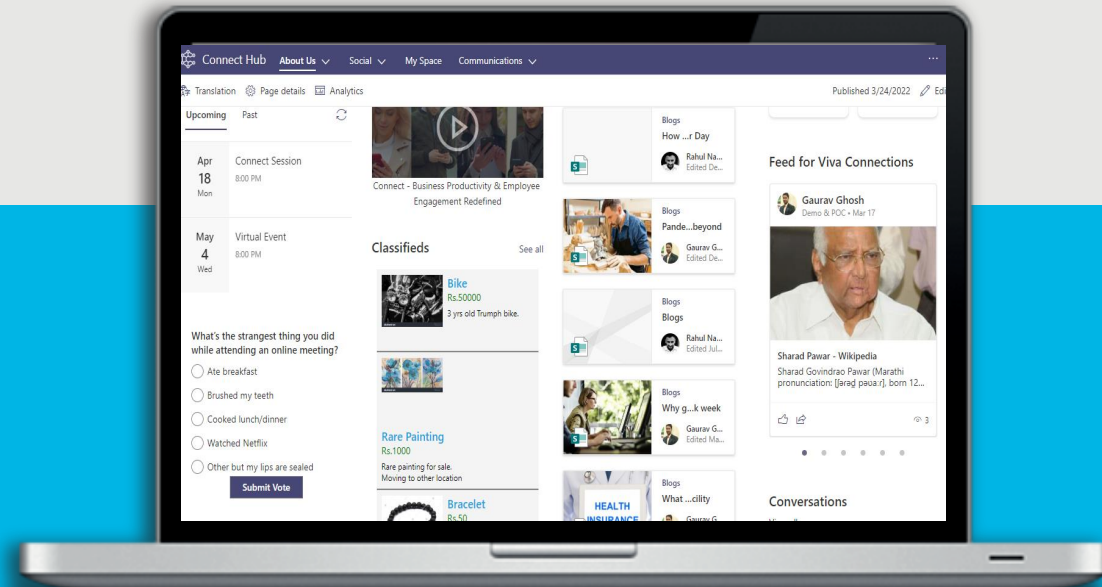

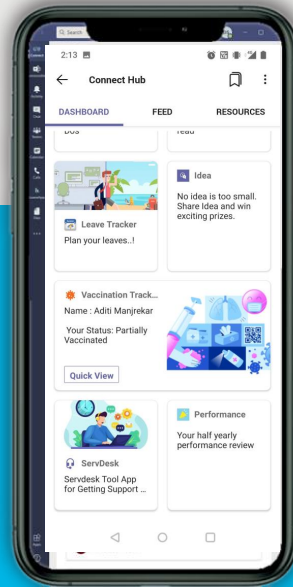

Connect with Viva Connections | Home

Connect brings an immersive and modern experience for employees, delivers organizational content on demand, encourages socializing with colleagues, and is a unified gateway to enterprise solutions. Interactive experiences for Events, pictures, videos, multi-tenant, a BOT that delivers content and performs tasks with LOBs, intuitive page reading experiences and more; it creates an entirely new dimension of user experience and collaboration within Microsoft Teams.

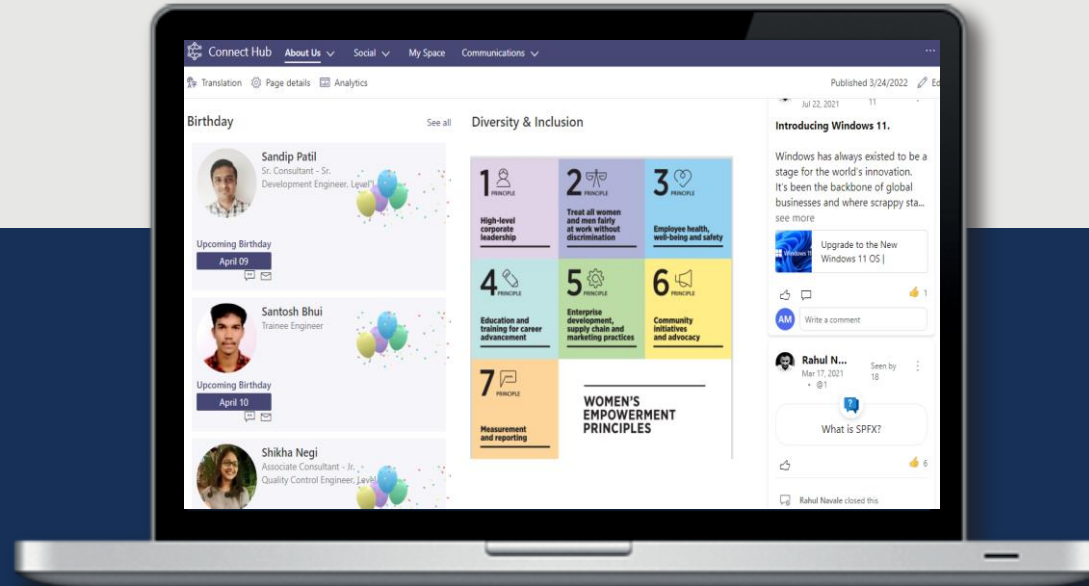

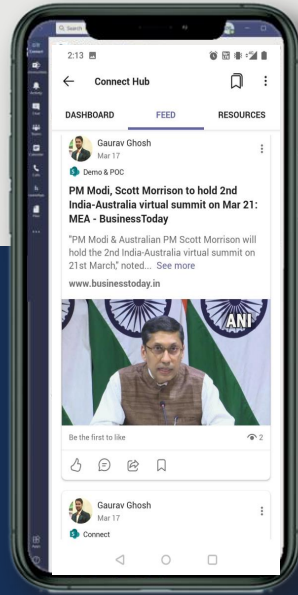

Social

An intelligent intranet with custom interactive experiences for Events, pictures, videos, custom search, multi-tenant, FAQ BOT that delivers content and performs tasks/approvals with LOBs, intuitive page reading experiences and more. It creates an entirely new dimension of user experience and collaboration within Microsoft Teams.

Intranet | Unified Gateway to Apps/Portals

This innovative platform has already proven it's worth by being chosen as the champion of the 2020 Teams App Award in Microsoft's annual Hackathon, one of the largest hackathon events on the planet.
