

Callow & Associates

MANAGEMENT CONSULTANTS INC.

Corporate Overview

Callow & Associates Management Consultants, Inc. is based in Calgary, Alberta, Canada and was founded on November 1, 1990. We are implementation, training, and support specialists for Microsoft Dynamics 365 Business Central, Microsoft Dynamics GP, and Solver business software.

Callow & Associates supports our clients across Canada and the United States. We have worked with Dynamics 365 Business Central since its release in 2018, Solver since 2012, and Dynamics GP since 1990.

Our Mission

To improve the business success of our clients by providing progressive business management solutions and superior consulting services.

Our Approach

We work in partnership with our clients from the initial requirements assessment and the presentation of the proposed solution and proposal through to the delivery of the Dynamics 365 Business Central, Dynamics GP, and Solver solutions. Our experienced team provides the required training to help ensure each project is a success. We are committed to quality post-implementation service and support. We do what it takes to keep our clients operational and efficient. We listen to our clients, understand their needs, and are innovative in dealing with new situations.

Our Key Differentiators

People: Our greatest strength lies in our team, who bring a unique combination of accounting and technical expertise. Our employees are also highly committed, with an average tenure of 15 years at Callow & Associates

Experience: With over 300 years of combined experience, we boast the most experienced team of consultants in Canada specializing in Dynamics 365 Business Central, Dynamics GP, and Solver.

Quality of Work: Callow & Associates takes pride in a 99% annual client retention rate, a clear indicator of our quality of work. We have clients who have been with us since our founding in 1990.

We Care: It may sound cliché, but we genuinely care about our clients and finding business solutions that work for them. With Callow & Associates, you can expect consultants who are like members of your team - always looking out for your best interest.
