

# Unlock Your Potential with C60 Digital: Expertly Delivered and Managed VMware on Azure

**Stop managing cloud complexities and start driving pivotal growth.**

C60 Digital empowers your business by delivering and fully managing your Azure VMware Solution (AVS). From seamless implementation within a secure Azure Landing Zone to proactive 24/7 operations, we ensure your VMware workloads transition flawlessly and are continuously optimized for performance, cost, and security.

## Unlock Optimal AVS Performance & Simplified Management with C60 Digital

### Unlock Immediate Efficiency & Focus

C60 Digital delivers a seamless journey from your AVS assessment to a fully managed Azure VMware Solution, freeing your team from complex cloud operations. By entrusting us with the day-to-day management, you immediately gain the bandwidth to concentrate on strategic initiatives and drive core business growth.

### Maximize Performance, Minimize Risk & Costs

Entrust your critical Azure VMware Solution and infrastructure to C60 Digital's 24/7 Managed Cloud Operations for proactive optimization, robust security, and swift issue resolution. This translates directly to enhanced performance, reduced operational risks, and continuous cost efficiencies across your entire Azure environment.

### Accelerate Time-to-Value with Expert Implementation

Leverage C60 Digital's specialized AVS expertise for a rapid, secure, and flawlessly executed deployment within an optimized Azure Landing Zone. This ensures your VMware workloads are operational quickly and integrated seamlessly with our proactive management, delivering tangible value and reliable performance from the outset.

### Future-Proof Your Azure Investment & Innovation

C60 Digital's expert management provides a stable, optimized, and insightful foundation for your Azure VMware Solution, simplifying future modernization and adoption of new Azure services. This proactive approach ensures your cloud investment remains agile and supports long-term innovation and business evolution.

## Our Streamlined Engagement Process

### AVS Implementation & Migration

Quality Build | Smooth Transition |  
Secure Go-Live | Lasting Foundation

- Implement Azure Landing Zone foundations
- Deploy AVS based on assessment output
- Execute workload migration (vMotion/HCX)
- Test and validate environment

&gt;&gt;&gt;

### Seamless Onboarding to 24/7 Managed Cloud Operations

Assured Uptime | Rapid Support |  
Secure Standards | Effortless Ops

- Transitioned to Managed Cloud Ops
- Activate 24/7 proactive monitoring
- Integrate advanced security protocols
- Establish operational runbooks & support

&gt;&gt;&gt;

### Continuous Optimization & Proactive Management for Long-Term Value

Optimized Performance | Proactive Security |  
Smart Cost Control | Drive Innovation

- Ongoing expert AVS management
- Proactive performance & security tuning
- Strategic cost optimization (FinOps)
- Regular governance & reporting

## Unlock Unmatched Azure Advantage with C60 Digital

### Maximize Your Azure Investment with Dual-Platform Expertise

As a unique Broadcom Pinnacle Partner and Microsoft Solutions Partner, C60 Digital provides unparalleled expertise in both VMware and Azure. This powerful combination ensures a seamless and optimized migration of your VMware workloads to Azure, minimizing disruption and maximizing the return on your cloud investment.

### Achieve Proven Success & Mitigate Risk

Leverage C60 Digital's extensive history of delivering exceptional results, backed by our Microsoft partnership and over 500 successful projects across diverse industries. Our proven ability to handle complex migrations, implement cutting-edge GenAI solutions, and provide resilient managed services translates directly into reduced risk and accelerated success for your Azure initiatives.

### Drive Continuous Innovation & Future-Proof Your Business

Go beyond migration with C60 Digital's full-stack Azure modernization and innovation expertise. We empower you to continuously evolve on Azure, from modernizing applications and infrastructure to unlocking powerful data insights with advanced analytics and AI, ensuring a lasting critical advantage in the digital landscape.

### Ensure Always-On Reliability & Operational Excellence

Gain complete peace of mind with C60 Digital's 24/7 Managed Cloud Operations, where we operate and optimize the solutions we architect. Our proactive monitoring, expert support, robust security management, and continuous cost optimization guarantee a reliable, secure, and efficient Azure environment, allowing you to focus on your core business objectives.

## About C60 Digital

C60 Digital is a trusted Microsoft Digital & App Innovation partner, recognized for its expertise in Migration & Modernization, Data & Generative AI, Cloud-Native Development, and Managed Cloud Operations. With an impressive portfolio of over 60 certifications and the prestigious Azure Digital & App Innovation designation, C60 Digital is committed to empowering businesses by designing, implementing, and optimizing tailored solutions that meet their specific needs. C60 Digital's extensive experience spans multiple industries, including Financial Services, Energy, Media, Entertainment and Gaming, Energy and Utilities, Manufacturing and Industrial, Sports and more. The company prides itself on being more than just a service provider, positioning itself as a strategic partner in navigating the complexities of digital transformation. By leveraging a deep understanding of Microsoft technologies, C60 Digital ensures that customers stay ahead of the curve and gain a competitive edge in their respective markets.
