

Also important for your colleague,
manager and CIO

The image shows a screenshot of a SAP Customizing window on the left and a Microsoft Excel spreadsheet on the right. The SAP window displays a table relationship diagram with two table types: 'Table-Type MARA (MARA) Allgemeine Materialdaten' and 'Table-Type MAKT (MAKT) Materialkurztexte'. The Excel window shows the CaRD logo, SAP Silver Partner logo, and the text 'EXCEL-EXPORT'.

Export table data from **SAP**[®] and use **Excel**[®] - plug & play!

It was never so easy to extract data out of SAP[®] and to use it in Excel[®]. You can define the table relationships by your own and you can extract the data based on your filter criteria.
