

# Security & Identity | Entra ID Assessment

## ABOUT CDI

For decades, CDI has been recognized as one of the premier technology providers in the world, offering customers best-of-breed hybrid IT solutions. Our **hybrid cloud infrastructure (HCI), digital workflow and workspace, modern intelligent technology operations (MITO),** and **resale** solutions enable enterprises to accelerate their digital transformation by providing a solid infrastructure foundation.

## ABOUT Microsoft

At the forefront of technological advancement, Microsoft stands as a global leader, **empowering individuals, businesses, and communities.** Their commitment to innovation drives them to create transformative solutions that shape the future. From the ubiquitous **Windows operating system** to the versatile **Microsoft 365 suite**, Microsoft seamlessly integrates productivity, collaboration, and security. Their cloud platform, **Azure**, empowers organizations to scale dynamically, harnessing the power of data, artificial intelligence, and machine learning.

## Microsoft and CDI: Microsoft Entra ID Assessment Offering

Microsoft Entra ID is a premier, modern identity provider platform designed to secure and protect access to an organization's applications and data.

### Engagement Overview

In this engagement, CDI's senior technical consultants will leverage their years of field experience to validate your Entra ID deployment configuration and provide recommendations on any necessary improvements.

### Deliverables

Assessment will be performed on the following areas of Entra ID:

- Identity Synchronization & Authentication from on-premises Active Directory
- Administrators & Role-Based Access Control
- Modern Authentication Methods
- Conditional Access Policies
- Inter-tenant collaboration settings
- Multifactor Authentication & Self-Service Password Reset
- Entra ID Password Protection Deployments
- Entra ID Application Proxy Deployments
- Entra Identity Protection
- Enterprise Applications
- SIEM Integrations
- Microsoft Secure Score Review
- Licensing

A final Customer Workshop to review the assessment findings document and discuss recommended actions will be held at the completion of the assessment.
